Card Cuts:

- Card Base – Basic White – Cut 1 at 4-1/4" x 11", score at 2-3/4" and 5-1/2"
- Right and Left Mats (outside of card):
 - Cut 2 in Basic Black – 2-5/8" x 4-1/8"
 - Cut 2 in Real Red – 2-1/2" x 4"
 - Cut 2 Sweet Talk DSP (striped pattern) – 2-3/8" x 3-7/8"
- Sentiment Panel and Mats:
 - Cut 1 Basic Black – 4-1/4" x 2-3/4":
 - Cut 1 Real Red – 4" x 2-1/2"
 - Cut 1 Basic White – 3-7/8" x 2-3/8"

- Coordinating Sweet Talk DSP for envelope flap – Cut 1 at approximately 3” x 6”

Making the Card:

There are no die cuts for this card...just cutting, stamping and gluing! Yay!

Cutting & Assembly of the Right & Left Panels for Front of Card:

- I first cut the card base and scored at 2-3/4” and 5-1/2”. The 2-3/4” score line will be a “mountain” fold and the 5-1/2” score line will be a “valley” fold. Refer to image above.
- Next, using Multipurpose Glue I adhered the mats together for the left and right panels of the front of the card. The Real Red is adhered to the Basic Black, then adhere the DSP to the top of the Real Red mat. Do this twice.
- I then glued the right and left assembled mats to the front of the card base.

Stamping and Assembly of Top Panel with Stamped Sentiment for Front of Card:

- I then moved on to stamping the top panel for the card. I used the X and O from the Sweet Talk Stamp Set and alternated stamping X's and O's around the perimeter of the Basic White panel. The X's were stamped in Real Red and the O's were stamped in Fresh Fresia.
- I then stamped the greeting “Happy Valentine’s Day” in the center of the white panel in Tuxedo Black Memento Ink.
- The white panel was glued to the piece of Real Red cardstock mat, then these were glued to the Basic Black cardstock mat to form the “Sentiment Panel” for the top of the card.
- Tie a length of Real Red Double Stitched Satin Ribbon to around the “Sentiment Panel” and tie a knot. Trip ribbon ends at an angle.
- Flip the card over and apply Stampin’ Dimensionals to only the left side of the panel. The top sentiment panel will be adhered to the left front panel so you want to be sure you are adhering the Stampin’ Dimensionals to the correct side.

- Adhere the sentiment panel to the left panel of the card – being sure to center the panel between top and bottom and right and left front panels.
- I used Matte Black Dots on the sentiment panel to dress it up a bit.

Finishing the Card:

- On the inside of the card I stamped the “Luv U” heart stamp in Real Red.
- On the front of the envelope and stamped one X and one O in the bottom right corner.
- Lastly, using Multipurpose glue I adhered a piece of coordinating DSP to the envelope flap.

The card is complete! Here is what the inside of the card looks like.

Products Used for This Project:

Items from the 2021-2022 Annual Catalog

- Basic White Cardstock (pg. 123)
- Basic Black Cardstock (pg. 123)
- Real Red Card Stock (pg. 122)
- Tuxedo Black Momento Ink Pad (pg. 129)
- Fresh Fesia Stampin' Pad (pg. 123)
- Real Red Stampin' Pad (pg. 122)
- Bone Folder (pg. 151)
- Stampin' Dimensionals (pg. 167)
- Paper Trimmer (pg. 151)
- Matte Black Dots (pg. 143)
- Multipurpose Liquid Glue (pg. 167)
- Real Red Double Stitched Satin Ribbon (pg. 140)

Items from the January-June 2022 Mini Catalog

- Sweet Conversations Bundle (pg. 9)
- Sweet Talk Designer Series Paper (pg. 9)
