I used the Wonderful World 12" x 12" Designer Series Paper for today's card. During Sale-A-Bration you can earn the Wonderful World Stamp Set plus the Wonderful World DSP by placing an order of \$100 or more! The images in the stamp set and the paper are gorgeous! You definitely want to add this Sale-A-Bration item to your list. The large iris image in the center of this card was fussy cut from the paper. The background on the card front is also one of the prints in the paper pack. The Charming Sentiments Bundle was also used on the card for the sentiment.

- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-3/4"
- 2. Start by adhering the DSP Panel measuring 5-3/8" x 4-1/8" to the front of the card base.
- 3. From the 3" square piece of Blackberry Bliss, use the Stylish Shapes Dies to die cut a square. Adhere the die cut square to its Basic White mat.
- 4. Fussy cut 1 flower (Iris) from the Wonderful World 12" x 12" DSP. There is a sheet of paper in the pack that has larger flowers - this is the sheet I fussy cut from.
- 5. Turn the Blackberry Bliss/Basic White die cut square to a diamond shape, so that the points are facing north, south, east and west. Now, adhere the fussy cut flower to the Blackberry Bliss die cut shape. Adhere this unit to the card front using Stampin' Dimensionals. Place the unit in the upper two thirds of the card front.
- 6. Using the Charming Sentiments Bundle (stamps and dies), stamp the sentiment "Wishing you everything wonderful" onto a scrap piece of Blackberry Bliss cardstock using VersaMark ink. Sprinkle white embossing powder over the inked area, then use your heat tool to set the embossing powder. Use the coordinating die from the Charming Sentiments Bundle to die cut the sentiment. Adhere the sentiment below the flower image on the front of the card using Stampin' Dimensionals.
- 7. Place several purple Glossy Dots on the card front.
- 8. On the inside panel, adhere the strip of coordinating DSP to the right side of the panel. Then, adhere the panel to the inside of the card base.
- 9. Tie a small bow using the white Crinkled Seam Binding Ribbon and adhere the bow to the bottom of the fussy cut flower using a Mini Glue Dot.
- 10. On the front of the envelope (lower right) stamp the image of the iris in Blackberry Bliss ink.
- 11. Adhere the piece of coordinating DSP to the envelope flap then fussy cut around the flap to finish off the envelope.
