- White Panel - Cut 1 Basic White cardstock to 4-1/2" x 3-1/4"
 - Scraps of Basic White cardstock for sentiment label, and die cutting apple blossoms
 - Inside Panel, Cut 1 Basic White cardstock to 5-1/4" x 4"
 - Inside Mat - Cut 1 Granny Apple Green to 5-3/8" x 4-1/8"
 - Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"
2. Start by stamping the apple/branch image onto the 4-1/2" x 3-1/4" white panel using Tuxedo Black Memento ink.
 3. On the same panel as above, use the trellis stamp to second generation stamp the image around the panel edges in Granny Apple Green ink.
 4. Use Cherry Cobbler, Granny Apple Green and Crumb Cake Stampin' Blends to color in the image. Use the Color Lifter Stampin' Blend to swipe the highlights on the apples.
 5. Adhere the Gingham DSP to the card front.
 6. Adhere the stamped and colored panel to the card front using Stampin' Dimensionals. Position the panel towards the top center of the card front.
 7. From a scrap piece of white cardstock, cut a sentiment label to measure approximately 2-3/4" x 1". Stamp the sentiment "Hope you are feeling better" in Granny Apple Green ink onto the sentiment label. Using a sponge dauber, blend Granny Apple Green ink lightly around the label edges. Apply Stampin' Dimensionals to the bottom edge of the sentiment label, and apply a few drops of glue towards the top edge of the sentiment label then adhere to the card front, overlapping the edge of the stamped panel slightly.
 8. Tie a double bow using Baker's Twine. Adhere the bow to the stamped panel, towards the top of the apple tree branch. Use a Mini Glue Dot to adhere.
 9. Using scraps of white cardstock, die cut 3 apple blossoms and 3 coordinating stamens. I cut one medium sized blossom and two small blossoms. Use a sponge dauber and Blushing Bride ink to blend color on the ends of the blossom petals. Use a Daffodil Delight Stampin' Blend to color the stamens. Use a Crumb Cake Stampin' Blend to dot the ends of the stamens. Use the end of a pencil (eraser side), to push down on the center of the blossoms and stamens in order to curl up the petals. Use a small drop of glue in the center of the blossoms and adhere the stamens in place. Adhere the blossoms to the card front. Place the largest blossom above the bow, place another on the left side of the sentiment label, and place the last blossom to the upper left of the stamped panel.
 10. Using the same apple image that was used on the card front, stamp this image in Memento ink partially on the lower right corner of the inside panel and the envelope front. Color the images using Cherry Cobbler, Granny Apple Green and Crumb Cake Stampin' Blends. When coloring the envelope image, be sure to place a piece of scrap cardstock or paper inside of the envelope before coloring to avoid bleed through from the markers.
 11. Adhere the coordinating piece of DSP to the envelope flap and fussy cut around the flap to finish off the envelope.
