Today's card was created for the Happy Inkin' Thursday Blog Hop - my first time participating in this weekly hop! Our challenge for the Hop was to create a card using Basic Black, Basic White and one other color. I chose Polished Pink for my third color and I think it really pops nicely against the black and white! I used the Cottage Rose Stamp Set, Cottage Flowers Dies and Happiness Abounds Stamp Set for the sentiments (just because the font is so pretty). I also used the polka dot pattern from the Black & White Designs 12" x 12" Designer Series Paper...perfect for today's card! Let's get to it!

1. Card Cuts:

- Card Base - Cut 1 Basic Black cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Mat - Cut 2 Polished Pink cardstock to 5-3/8" x 4-1/8. One will be used for the card front and one will be used as the mat for the inside panel.
- DSP Panel - Cut 1 Black & White Designs 12" x 12" Designer Series Paper in the polka dot pattern to 5-1/4" x 4"

- Circle - Cut 1 Basic White cardstock to 3" x 3" for die cutting a circle
 - Circle Mat - Cut 1 Basic Black cardstock to 3-1/4" x 3-1/4" for die cutting a circle mat
 - Scraps of Basic Black for stamping and die cutting
 - Scrap of Basic White for stamping and die cutting
 - Sentiment Label - Cut 1 Basic Black cardstock to 4-1/8" x 5/8"
 - Sentiment Label Mat - Cut 1 Polished Pink cardstock to 4-1/8" x 3/4"
 - Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
 - Envelope Flap - Cut 1 6" x 2-1/2" polka dot pattern coordinating DSP
2. Start by adhering the DSP Panel to one of the Polished Pink mats. Cut a length of Polished Pink Open Weave Ribbon and wrap the ribbon around the DSP/Mat panel and secure the ends to the back of the card using Stampin' Seal. Adhere this unit to the card front.

3. Die cut the following (and stamp where indicated):
- On a scrap of Basic Black cardstock, stamp the leaf image from the Cottage Rose Stamp Set in white craft ink 2 times. Die cut using the coordinating die from the Cottage Flowers Dies.
 - Die cut 1 open flower on Basic Black cardstock. Cut the flower apart after die cutting.
 - Stamp the medium sized flower in Tuxedo Black Memento ink onto a piece of scrap Basic White cardstock 1 time. Color using Polished Pink Stampin' Blends. Die cut

using the large detailed die. Note: This die will cut out multiple images, but there is a section on the die that specifically cuts out the medium sized flower. Just line up the die with the stamped and colored image to die cut.

- Stamp the three-flower image in Tuxedo Black Memento ink onto a piece of scrap Basic White cardstock 1 time. Color using Polished Pink Stampin' Blends. Die cut using the large detailed die as you did in the previous step. You will discard the smallest flower in this set.
- Die cut 1 scalloped circle in Basic Black cardstock using the largest scalloped die from the Layering Circles Dies.
- Die cut 1 circle in Basic White cardstock using the second to largest circle die from the Layering Circles Dies.

4. Adhere the white circle to the scalloped black circle and dry fit the flower pieces onto the circle unit. It is helpful to lay the circle unit on top of the card front (over the ribbon) to make sure that you don't extend past the card edge. Once you're satisfied with placement of the pieces, glue down the 2 black leaf images. Adhere the largest flower in the center using Stampin' Dimensionals. Glue the smallest flower just underneath the left edge of the largest flower. Adhere the remaining flower with Stampin' Dimensionals just below and slightly overlapping the largest flower. For the open flower you cut apart, glue one piece above and below the flower arrangement being sure to tuck the stems under the arrangement. Adhere the circle flower arrangement to the card front using Stampin' Dimensionals.
5. On the sentiment label use a Stamparatus to stamp the "happy birthday" sentiment from the Happiness Abounds Stamp Set in white ink. Repeat stamping as needed to achieve a clear image of the sentiment. Adhere the sentiment to its Polished Pink mat then adhere the sentiment label to the card front using Stampin' Dimensionals. Place the sentiment below the circle flower arrangement.
6. Stamp the sentiment "Wishing you all the happiness you can imagine" from the Happiness Abounds Stamp Set on the inside panel using Tuxedo Black Memento ink. Also stamp the three-flower image from the Cottage Rose Stamp Set on the lower left of this panel and color in using Polished Pink Stampin' Blends. Adhere the panel to its Polished Pink mat then adhere this unit to the inside of the card.
7. Stamp the three-flower image from the Cottage Rose Stamp Set onto the lower left corner of the envelope front and color in using Polished Pink Stampin' Dimensionals. Be sure to place a scrap piece of paper or cardstock inside of the envelope before coloring to avoid bleedthrough of the markers.
8. Adhere the coordinating piece of DSP to the envelope flap and fussy cut around the flap to finish off the envelope.
9. On the card front, place three Matte Black Dots in the white circle area.
