

Ringed With Nature Anniversary Card for the Happy Inkin' Thursday Blog Hop

Project Sheet - Nov 10 2022

I used the ***Ringed With Nature Stamp Set***, ***Tree Rings Hybrid Embossing Folder***, ***Tree Rings Dies*** and the ***Painted Christmas 12" x 12" Designer Series Paper*** for this anniversary card. The images from this set are so fun and the Painted Christmas DSP worked perfectly with this card! Let's get started!

Supplies Used:

- Ringed With Nature Stamp Set
- Tree Rings Hybrid Embossing Folder
- Tree Rings Dies
- Stylish Shapes Dies
- Painted Christmas 12" x 12" Designer Series Paper
- Baker's Twine Essentials Pack
- Festive Pearls
- Paper - Basic White, Crumb Cake and Evening Evergreen

- Ink - Pear Pizzaz, Soft Suede, Cherry Cobbler and Evening Evergreen
- Stampin' Blends - Old Olive, Cherry Cobbler and Crumb Cake

1. Card Cuts:

- Card Base - Cut 1 Crumb Cake cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
 - Outside & Inside Mats - Cut 2 Evening Evergreen cardstock to 5-1/8" x 3-7/8"
 - DSP Panel - Cut 1 Painted Christmas DSP from the leaf pattern to 5" x 3-3/4"
 - Scraps of Basic White cardstock for stamping and die cutting
 - Scraps of Crumb Cake cardstock for die cutting tree ring
 - Inside Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"
 - Envelope - Cut 1 coordinating DSP to 6" x 2-1/2"
2. Start by adhering the DSP panel to one of the Evening Evergreen mats, then adhere this unit to the card front, making sure to center from left to right and top to bottom.
 3. Die cut the tree ring from a scrap of Crumb Cake cardstock. Place the large tree ring die inside of the Tree Rings Hybrid Embossing Folder and die cut a tree ring. The tree ring I used measures approximately 2-1/2" x 2-1/2". Use a blending brush to blend Soft Suede ink around the tree ring edges. Set aside for now.
 4. Stamp the house, roof, and heart images from the Ringed With Nature Stamp Set onto scraps of Basic White cardstock. Stamp the house using Pear Pizzazz ink, the roof in Evening Evergreen ink, and the heart in Cherry Cobbler ink. Fussy cut the images and set aside.
 5. Using the branch and leaf die and the twig and berry die from the Tree Rings Dies set, die cut from Basic White cardstock. Use Stampin' Blends to color in the images. I used Old Olive to color in the leaves, Crumb Cake to color in the branch and twig, and Cherry Cobbler to color in the berries.
 6. Adhere the branch and leaves and the twig and berries to the previously die cut tree ring. Refer to photo for placement. Adhere the heart just below the chimney on the house, then adhere the house to the tree ring using Stampin' Dimensionals. Adhere the tree ring to the card front using Stampin' Dimensionals. Adhere the tree ring to the right side of the card front and center from top to bottom on the DSP panel.

7. Stamp the sentiment "Happy Anniversary" onto a scrap of white cardstock and use the large narrow banner die from the Stylish Shapes Dies set to die cut. Adhere the sentiment onto the card front using Stampin' Dimensionals. Note: You will need to use a double stack of Dimensionals where the sentiment label comes in contact with the DSP on the card front and a single layer of Dimensionals where the sentiment label overlaps the tree ring so check placement before adhering.
8. Tie a double bow using the Crumb Cake Baker's Twine and adhere just below the sentiment label and to the left of the house using a Mini Glue Dot.
9. Use the 3-leaf image from the Ringed With Nature Stamp Set and stamp this image in Pear Pizzazz ink on the Inside Panel in the lower right and upper left corners. Stamp this image once on the envelope front. Adhere the Inside Panel to its Evening Evergreen mat, then adhere this unit to the inside of the card.

10. Adhere the coordinating piece of DSP to the envelope flap and trim around the flap to finish off the envelope.
11. Adhere red Festive Pearls to each of the berries on the twig/berry image on the card front.

This complete's today's card. This card would also make a great birthday card!

Products used to create this card are included on the next page.
