I used a lot of the products from the Country Floral Lane Suite Collection to create today's card, including the Country Bouquet Bundle, Country Floral Lane 12" x 12" Designer Series Paper, Real Red & Burlap Ribbon Combo Pack and Pastel Adhesive-backed Sequins. These products will be available for ordering on January 5 from the January-April 2023 Mini Catalog. Let's get started!

1. Card Cuts:

- DSP Strip - Cut 1 stripe pattern using paper from the Country Floral Lane DSP pack to 4-1/8" x 1-3/8"
- DSP Panel - Cut 1 Sweet Sorbet/Heart pattern using paper from the Country Floral Lane DSP pack to 4-1/8" x 3-7/8"
- Mat - Cut 1 Petal Pink cardstock to 3-1/2" x 3-1/2"

- Gift Card Pocket - Cut 1 coordinating DSP to 3-3/4" x 2-1/4"
 - Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"
2. Start by adhering the DSP Strip to the slender left-hand panel of the card front. Then adhere the other, larger DSP Panel to the card base panel on the right of the card front.
 3. Using a short length of Burlap ribbon, rap the ribbon vertically around the book binding section of the card and wrap the ends to the inside of the card base. Secure the ends using a small amount of Stampin' Seal. Use liquid glue to adhere the book binding portion of the card together from the inside of the card base.
 4. On the white square panel, Use Sweet Sorbet and Mossy Meadow inks to stamp the flower heart onto the center of the white panel.
 5. Using the Country Bouquet Punch, punch out several hearts and leaves from the paper included in the Country Floral Lane DSP pack. Adhere the smaller hearts behind the tops of the larger punched hearts then adhere the hearts towards the bottom of the stamped heart, angling the hearts outwards to the left and right.
 6. Punch out an additional heart using the Country Bouquet Punch from a scrap of white cardstock. This will be the sentiment label. Stamp the sentiment "For you" from the Country Bouquet Stamp Set in Sweet Sorbet ink. Use a sponge dauber to blend Petal Pink ink around the edges of the heart sentiment label. Adhere the sentiment label to the white square panel using Stampin' Dimensionals. I placed the sentiment label towards the bottom of the panel at an angle. Tuck two of the punched leaves under the sentiment label. Adhere the square panel to its Petal Pink mat then adhere this unit to the card front using Stampin' Dimensionals.
 7. Use a short length of Real Red Ribbon and slip one of the ends under the Burlap Ribbon. Tie a bow and trim the ends of the Real Red ribbon as necessary.
 8. Adhere multiple pink Pastel Adhesive-backed Sequins to the card front.
 9. On the inside panel, stamp the sentiment "I love that we are friends" using Sweet Sorbet Ink. Stamp the small solid heart image multiple times on the lower left of the panel. Adhere the panel to its Petal Pink mat, then adhere this unit to the inside of the card.
 10. On the piece of DSP that will serve as the gift card holder, use the Country Bouquet Punch to punch out a semi-circle at the top center of the piece of DSP. The top of the heart on the punch works well to punch out a half circle! Apply glue to the left, right and bottom of the DSP panel, then adhere the panel to the inside of the card base, opposite the inside panel. Be careful to apply glue close to the edges of the DSP.
 11. On the envelope stamp the solid small heart image multiple times on the envelope front. Adhere the coordinating piece of DSP to the envelope flap and trim away the excess DSP from the flap.
