Here's another sneak peek of products that will be in the upcoming January-April 2023 Mini Catalog and the January-February 2023 Sale-a-bration catalog (available for customer orders on January 5). I used the Dainty Delight Stamp Set and Dies and the Dainty Flowers 12" x 12" Designer Series Paper to create this card. Let's get started!

1. Card Cuts:

- Card Base - Cut 1 Mossy Meadow cardstock to 7-1/2" x 5-1/2" and score at 4-1/4"
- Outside Mat - Cut 1 Basic White cardstock to 5-3/8" x 3-1/8"
- DSP Panel - Cut 1 Blushing Bride print from the Dainty Flowers Designer Series Paper pack to 5-1/4" x 3"
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- DSP Strip - Cut 1 Mossy Meadow print from the Dainty Flowers Designer Series Paper pack to 5-1/4" x 1-1/8"
- Oval Frame - Die cut 1 from Basic White cardstock. You will need a 3-3/4" x 3" piece of cardstock for the die cut.
- Scraps of Mossy Meadow, Blushing Bride, Calypso Coral and Granny Apple Green

cardstock pieces for die cutting leaf sprig, daisies, daisy centers and small leaves.

- Envelope - Cut 1 coordinating DSP to 6" x 2-1/2"
2. To begin, adhere the Blushing Bride DSP panel to its white mat, then adhere this unit to the card front. Adhere the Mossy Meadow DSP strip to the inside white panel, then adhere this unit to the inside of the card. Note: This card is an all-occasion card (meaning it can be used for any occasion) and does not have any stamped sentiments.
 3. Using the Framed Florets Dies, die cut 1 oval frame from white cardstock. Adhere the frame to the card front, centering from top to bottom and left to right.
 4. On the die cut oval insert, use a blending brush to blend Granny Apple Green ink over the entire surface of the oval, concentrating the ink around the outside edges of the oval. Using the stamp from the Dainty Delight Stamp Set that looks like a Queen Anne's Lace flower, stamp the flower twice in Granny Apple Green ink on the ink blended oval. Adhere the oval to the inside of the white frame.

5. Die cut the following using dies from the Dainty Delight Dies set:
 - 1 leaf half-oval sprig from Mossy Meadow cardstock
 - 3 Daisies from Blushing Bride cardstock (2 full daisies and 1 half daisy)
 - 3 Daisy Centers from Calypso Coral cardstock
 - 4 small leaves from Granny Apple Green Cardstock
6. Adhere the Mossy Meadow leaf sprig on the left side of the oval frame. Adhere the daisy centers to the daisies, then adhere the daisies to the right side of the oval frame. Tuck the

- small Granny Apple Green leaves under the flowers.
7. Adhere several pink Pastel Adhesive-backed Sequins to the card front.
 8. Tie a small bow using Glittered Organdy Ribbon and attach to the center left of the oval frame using a Mini Glue Dot.
 9. On the lower front of the envelope, use a blending brush to blend Granny Apple Green ink in one of the envelope front corners. Stamp the Queen Anne's Lace flower image over this ink blended area using Granny Apple Green ink.
 10. Adhere a piece of coordinating designer series paper to the envelope flap and trim away the excess paper from the flap to finish off the envelope.

This completes the card! This card was easy and quick to produce and can be used for a female birthday card, thinking of you card, friendship card, thank you card or a sympathy card. So pretty!
