This pretty Birthday card uses the **Two-Tone Flora Suite Collection** including the **Two-Tone Flora Stamps and Dies**, the **Something Fancy Stamp Set**, **Fancy Flora 6" x 6" Designer Series Paper** and the **Iridescent Pastel Gems**. These cheerful flowers remind me that spring is only just a few short months away! These products will be available in just a little over a week on January 5 for customer orders. Let's get started!

1. Card Cuts:

- Card Base - Cut 1 Orchid Oasis cardstock to 11" x 4-1/4", score at 5-1/2"
- DSP Panel - Cut 1 Floral print from the Fancy Flora Designer Series Paper pack to 5-1/4" x 4"
- Large Die Cut - Cut 1 Basic White cardstock to 5-1/2" x 4"
- Scraps of Basic White cardstock for stamping and die cutting flowers and leaf sprigs
- Sentiment Label - Cut 1 Designer Series Paper in Soft Succulent to 2-1/2" x 5/8"
- Sentiment Label Mat - Cut 1 Orchid Oasis cardstock to 3" x 1"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Start by adhering the DSP panel to the card front.

3. Using the large, intricate die from the Two-Tone Flora Dies set, die cut in white cardstock. Starting at the lower right corner, use paper snips to cut away some of the die cut, cutting around flowers and leaves. Using small drops of glue, adhere the die cut panel to the card front.
4. Stamping and Die Cutting Images:
 - Stamp two of the large flower - one in Daffodil Delight and one in Orchid Oasis. Note: This is a two-step stamp set. I first-generation stamped the detailed flower image, then second-generation stamped in the same color using the solid flower image.
 - Stamp the medium sized flower in Orchid Oasis ink using the detailed and solid image stamps by first stamping the detailed image then second-generation stamping the solid image.
 - Stamp two of the leaf sprigs using Soft Succulent ink.
 - Use the coordinating dies to die cut the images.
 - Use a Daffodil Delight Stampin' Blend to color in the centers of the blue flowers and a Pumpkin Pie Stampin' Blend to color in the center of the yellow flower.
5. Dry fit the flower and leaf images onto the lower left of the card front to determine placement. Use glue to adhere the yellow flower and leaf sprigs to the card front. Use Stampin' Dimensionals to adhere the two blue flowers to the card front. The blue flowers slightly overlap the yellow flower and slightly overlap each other.
6. Stamp the sentiment "Happy Birthday" from the Something Fancy Stamp Set in Orchid Oasis ink onto the DSP sentiment label. Cut the right and left edges of the sentiment label at angles parallel to each other. Adhere the sentiment label to its Orchid Oasis mat, then cut the same angles on the right and left of the sentiment label mat. Adhere the sentiment label to the card front using Stampin' Dimensionals and place in the upper right corner of the card front.
7. Tie a small double bow using Orchid Oasis Metallic Woven Ribbon and adhere the bow just under the center of the sentiment label using a Mini Glue Dot.
8. On the Inside Panel and envelope front, use the two-step stamping process to stamp an Orchid Oasis flower on each. Use a Daffodil Delight Stampin' Blend to color in the flower centers.
