Do you need a quick and easy card - a thank you card, birthday card or thinking of you card? This card was created using the **Something Fancy Stamp Set** and **Something Fancy Dies** along with the **Dandy Designs 12" x 12" Designer Series Paper**. Let's get started!

1. Card Cuts:

- Card Base - Cut 1 Mango Melody cardstock to 11" x 4-1/4", score at 5-1/2"
- Outside & Inside Mats - Cut 1 Calypso Coral cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 flower pattern Dandy Designs DSP to 5-1/4" x 4"
- Die Cut Flower and Leaves - Small scraps of Calypso Coral and Parakeet Party cardstock
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Strip of DSP - Cut 1 coordinating DSP to 5-1/4" x 3/4"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Start by adhering the DSP Panel to one of the Calypso Coral mats. Then, adhere this unit to the card front.

3. Using the Something Fancy Dies set, die cut 1 large and 1 small label. Cut the large label in

Calypso Coral cardstock and the small label in Basic White cardstock.

- Using the Something Fancy Dies, cut the small flower with leaves in Calypso Coral cardstock and the stem and leaves in Parakeet Party cardstock.
- Using Mango Melody ink, stamp the sentiment "Thank you" from the Something Fancy Stamp Set onto the top of the white die cut label. Adhere the white label to the larger Calypso Coral label. At the bottom of the white label, arrange the Parakeet Party stem and leaves and the Calypso Coral flower then adhere these pieces to the white label. You will not need all of the die cut leaves. I recommend using tweezers to hold these small pieces to glue them into place.
- Wrap Linen Thread around four fingers approximately four times. Holding onto the thread loops, remove the loops from your fingers and twist the loops in the middle to form a figure eight. Apply a small amount of Stampin' Seal to the center of the card front and adhere the figure eight of thread to the card front.
- Adhere the label unit to the card front, over the thread loops, using Stampin' Dimensionals.
- Adhere the 3/4" strip of coordinating DSP to the right edge of the inside panel. Adhere the panel to the second Calypso Coral mat, then adhere this unit to the inside of the card.
