I couldn't resist using the Two-Tone Flora Bundle and Fancy Flora 6" x 6" Designer Series Paper to create this Valentine's Day card for the Happy Inkin' Thursday Blog Hop! The two-step stamps in the Two-Tone Flora Stamp Set make gorgeous flowers! The Fancy Flora Designer Series Paper speaks for itself!

1. Card Cuts:

- Card Base - Cut 1 Night of Navy cardstock to 11" x 4-1/4", score at 5-1/2"
- DSP Panel - Cut 1 Fancy Flora DSP in Balmy Blue/Orchid Oasis/Pool Party pattern to 5-3/8" x 4-1/8"
- Scraps of Basic White cardstock for die cutting circles and stamping and die cutting flower
- Scrap of Orchid Oasis cardstock for stamping and die cutting leaf sprigs
- Inside Mat - Cut 1 Orchid Oasis cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Start by cutting the DSP Panel measuring 5-3/8" x 4-1/8" using the large, intricate die from

the Two-Tone Flora Dies set. You will need to center the large die over the panel so that you have an equal edge on all four sides. I found it was easier to cut the panel to the correct size before die cutting rather than trying to trim the panel down after it was die cut. Adhere the die cut panel to the card front.

3. Using the largest flower two-step stamps in the Two-Tone Stamp Set, stamp the detailed stamp first in Orchid Oasis ink, then use the filler stamp to stamp over the detailed image using Pool Party ink. Use the coordinating die from the Two-Tone Dies set to cut out the flower.
4. On a scrap piece of Orchid Oasis, stamp the large leaf sprig from the Two-Tone Flora Stamp Set two times using Orchid Oasis ink. Cut out the images using the coordinating die from the Two-Tone Flora Dies set.
5. Using the Layering Circles Dies, die cut 1 circle using the 2nd to smallest die and 1 circle using the 2nd to largest die.
6. Stamp the sentiment "With Love" from the Two-Tone Stamp Set in Orchid Oasis ink onto the small white circle. Arrange the flowers and leaf sprigs onto the larger white circle and adhere the pieces to the circle (refer to photos for placement). Adhere the large flower circle to the lower left of the card front using Stampin' Dimensionals and adhere the sentiment label to the upper right of the card front using Stampin' Dimensionals.
7. On the inside panel, stamp the sentiment "Happy Valentine's Day" from the Country Bouquet Stamp Set in Orchid Oasis ink. Use the same flower stamps from the Two Tone Flora Stamp Set to stamp the flower in the lower left of the panel.
8. Stamp just the background of the flower onto a Post It Note. Fussy cut around the flower to create a mask. Place this mask over the flower you just stamped onto the inside panel. Using Orchid Oasis ink, stamp the large leaf sprig in Orchid Oasis ink on each side of the masked flower. Adhere the inside panel to the Orchid Oasis mat, then adhere this unit to the inside of the card.

9. Cut 2 short lengths of Pool Party Grosgrain Ribbon. Stack the ribbon pieces together and tie into a knot. Using a Mini Glue Dot, adhere the tied knot to just below the flower on the card front.
10. Use an Orchid Oasis Stampin' Blend to color several Rhinestone Basic Jewels. Adhere the rhinestones to the card front.
11. Adhere the piece of coordinating DSP to the envelope flap and trim the excess paper away from the flap.
12. Use the two-step flower stamps to stamp a flower on the envelope front in Orchid Oasis and Pool Party inks.

This completes the card! I love the variegated look that the DSP paper gives to the large die cut panel on the card front! The colors in this card are not the traditional "Valentine's Day" colors, but they are lovely just the same!

Products used to create this card are included on the next page.
