<https://www.inkybeestampers.com>

I pulled out the **Around The Bend Bundle** and **Hello Irresistible 6" x 6" Designer Series Paper** to create today's card. I love the cheerful yellow daisies that adorn this card front along with the gentle curve of the Around The Bend die cut and the pretty Hello Irresistible paper! You'll need to wait until March 1 to order the **Hello Irresistible Designer Series Paper** as it will be one of the Online Exclusives that Stampin' Up! will be offering beginning on this date....it is a must have!

## 1. Paper Cuts:

- Card Base - Cut 1 Pear Pizzazz cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside & Inside Mats - Cut 2 Early Espresso cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 Hello Irresistible DSP (Daffodil Delight and Petal Pink floral print) to 5-1/4" x 4"
- Panel for Die Cutting - Cut 1 Basic White cardstock to approximately 3-1/2" x 5-1/4"
- Scraps of Daffodil Delight, Early Espresso and Pear Pizzazz cardstocks for die cutting daisies, flower centers and leaves
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- DSP Strip - Cut 1 coordinating DSP strip to 5-1/4" x 1/2"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Stamp the sentiment "just wanted to say thanks" in Early Espresso ink onto the lower right corner of the DSP panel measuring 5-1/4" x 4". The bottom and right side of the stamped sentiment should be approximately 3/8" from the bottom and right edge of the panel.
3. On the 3-1/2" x 5-1/4" white panel for die cutting, use the bubble stamp from the Around The Bend Stamp Set and second-generation stamp bubbles all over this panel. Place the curved die from the Around The Bend stamp set (the one with bubble cut outs) across the panel and die cut. The die cut panel should measure approximately 3-3/8" across the top and 1-3/8" across the bottom after die cutting and the panel should measure 5-1/4" on the long edge. Adhere the die cut panel to the DSP Panel you stamped in Step #2 above. The top, bottom and left edges of the die cut panel and DSP panel should be flush with each other.
4. Adhere the DSP Panel/Die Cut panel unit to one of the Early Espresso mats, then adhere this unit to the card front.
5. Using the Dies from the Around The Bend Dies set, cut 3 daisies from Daffodil Delight cardstock, 3 flower centers from Early Espresso cardstock and 3 2-leaf sets from Pear Pizzazz cardstock. Adhere the flower centers to the flowers and adhere a set of leaves to each flower.
6. Place several Mini Glue Dots on the center of the card and just to the left of the die cut bubbles. Wrap linen thread around four fingers approximately four times. Squeeze the loops of thread together in the middle and adhere the thread loops to the Mini Glue Dots.
7. Using Stampin' Dimensionals, adhere the Daisey and leaf units to the card front, following the curve of the die cut panel. Space the flowers evenly apart.
8. On the inside panel, second generation stamp bubbles in Daffodil Delight ink down the right side of the panel and approximately 1-1/2" in from the right side. Adhere the DSP strip down the right side of the panel. Adhere the panel to the remaining Early Espresso mats then adhere this unit to the inside of the card.

9. On the envelope front, use the decorative corner stamp from the Around The Bend Stamp Set and second generation stamp onto the envelope front in Daffodil Delight ink.
10. Adhere the coordinating piece of DSP to the envelope flap and trim the excess paper away from the flap to finish off the envelope.
11. Adhere multiple Pastel Adhesive -backed Sequins to the card front. I followed the curve of the die cut piece on the card front and scattered the sequins among the Daisies.

The card is complete! This card design makes for a very cheerful spring card and would also be suitable for birthdays and friendship cards.

Products used to create this card are included on the next page. You can order the Hello Irresistible 6" x 6" Designer Series Paper (Item #161139) online beginning on March 1.
