The ***Irresistible Blooms Bundle***, ***Hello Irresistible 6" x 6" Designer Series Paper***, and ***Loose Frosted Dots*** were used to create today's card. These products are part of the **Online Exclusive** products that are being released on March 1, 2023! These items will only be available online and will not be included in any catalog. There are several colors included on the designer series paper pack that were retired, so the fact that these colors are included in the DSP suggests that they are coming back! These colors are Lost Lagoon and Pretty Peacock. Stay turned... On to our card for today!

- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
 - Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"
2. Using the large and medium flower blooms from the Irresistible Blooms Stamp Set, stamp two of the large flowers and one of the medium flower in Petal Pink ink onto white cardstock. Stamp two of the two-leaf image and one of the three-leaf image in Soft Sea Foam ink onto white cardstock. Use the coordinating dies from the Irresistible Blooms Dies set to cut out.
 3. On the die cut flowers, use the dark shade of a Daffodil Delight Stampin' Blend to color the centers of the flowers, then use the light shade of a Daffodil Delight Stampin' Blend to flick yellow up into the petals slightly - there is no need to blend the color out.
 4. On the DSP Panel, center the ornate circular die onto the upper portion of the panel and die cut. Adhere the DSP die cut panel to the white mat, then adhere this unit to the card front.
 5. Arrange the two largest blooms on the bottom portion of the die cut circle and adhere to the card front. Adhere the medium sized bloom between the two larger blooms using Stampin' Dimensionals.
 6. Adhere the leaves around the blooms, tucking the stems of the leaves under the flowers slightly.
 7. Stamp the sentiment "I couldn't be happier to have you as my friend" in Petal Pink ink onto the sentiment label. Cut a banner end on each side of the label and adhere the label at the top of the die cut circle using Stampin' Dimensionals.
 8. Tie a small bow using Glittered Organdy Ribbon and adhere the bow to the upper left of the medium sized bloom using a Mini Glue Dot.
 9. Using small drops of glue, adhere multiple Loose Frosted Dots to the card front. I used all three colors...they are beautiful!
 10. Stamp the medium sized bloom image onto the lower corner of the inside panel and envelope front in Petal Pink ink. Stamp the image again onto a Post It Note and fussy cut around the bloom. Use the Post It Note as a mask to stamp leaves on either side of the bloom using Soft Sea Foam ink and both the inside panel and envelope front.
