This is a super quick and easy card and would be suitable for either male or female...great for anyone who is setting out on a new adventure (new job, new house, traveller, etc.). I used the **Let's Set Sail Bundle** (stamps and punch) combined with the **By The Bay 6" x 6" Specialty Designer Series Paper**. Let's get started!

## 1. Card Cuts:

- Card Base - Cut 1 Mint Macaron cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside DSP Panel - Cut 1 By The Bay Specialty Designer Series Paper in shoreline scene to 5-1/4" x 4"
- Mat - Cut 1 Night of Navy cardstock to 5-3/8" x 4-1/8"
- Small scrap of white cardstock for stamping and punching sails
- Small Scrap of Night of Navy cardstock for punching sailboat
- Inside DSP Panel - Cut 1 By The Bay Specialty Designer Series Paper in shoreline scene to 5-3/8" x 4-1/8"
- Envelope Flap - Cut 1 coordinating By The Bay paper to 6" x 2-1/2"

2. Start by stamping the sails onto a scrap piece of Basic White cardstock in Mint Macaron ink. Before stamping the sails be sure of placement of the stamped images so that they will line

up with the Sailboat Builder Punch. Punch out the stamped sails.

3. Punch out the sailboat from a scrap of Night of Navy cardstock. Using a small drop of glue, adhere the sails to the mast of the sailboat.
4. Select the piece of the By The Bay 6" x 6" Specialty Designer Series Paper that shows a sky, shoreline and water. You will need to trim this paper so that you get the sky, shore and water into the cut image. Trim the paper to 5-1/4" x 4". Using the bird stamp, stamp the birds multiple times in Night of Navy ink onto the upper left corner of the DSP panel. Stamp the sentiment "Adventure Awaits" in Night of Navy ink onto the upper right corner of the DSP panel. Adhere the DSP panel to the Night of Navy mat, then adhere this unit to the card front.
5. Adhere the assembled sailboat to the lower left of the card front (over the water) using Stampin' Dimensionals. You will need to trim the Dimensionals down in order to support the sailboat's mast.
6. For the inside panel, I selected another sheet of the same By The Bay Specialty Designer Series Paper and trimmed this panel to 5-3/8" x 4-1/8". When trimming the paper, I captured just the sky on the paper.
7. Using the bird stamp, stamp the birds multiple times in the upper left corner of the designer series paper panel in Night of Navy ink. Stamp the sentiment "Let your dreams set sail" in Night of Navy ink onto the upper center of the panel. Adhere the panel to the inside of the card.

8. Adhere multiple Enamel Dot Essentials onto the card front. I used the white and beige colored dots. Three dots are lined up across the side of the sailboat and the others are scattered along the shoreline.
9. Stamp the birds in Night of Navy ink on the envelope front.
10. Adhere a piece of coordinating By The Bay Specialty Designer Series Paper to the envelope flap and trim away the excess paper from the flap. I chose a Night of Navy clamshell pattern for my envelope flap.
