I have created another card using the beautiful Seaside Bay Bundle and By the Bay 6" x 6" Specialty Designer Series Paper. I also used the Best Family Ever Stamp Set so that I could customize this card for my hubby!

1. Card Cuts:

- Card Base - Cut 1 Mint Macaron cardstock to 8-1/2" x 5-1/2" and score at 4-1/4"
- Mats - Cut 2 Night of Navy cardstock 5-1/4" x 4"
- DSP Panels - Cut 2 By the Bay paper with Mint Macaron and Balmy Blue background to 5-1/8" x 3-7/8"
- Sentiment Label - Cut 1 Basic White cardstock to 2-1/4" x 1-3/8"
- Scrap of Basic White cardstock for stamping and die cutting the crab
- Scrap of Silver paper for die cutting clam shell
- Scraps of Mint Macaron cardstock for die cutting grasses
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Start off by adhering one of the DSP Panels to one of the Night of Navy mats. Using a length of Night of Navy Bordered Ribbon, wrap the ribbon around the panels approximately 1" from the top and secure the ends of the ribbon on the back side using Tear & Tape.

3. Using the sand and seashell stamp from the Seaside Bay Stamp Set, stamp the image onto the front of the panel from Step #2 above in Soft Suede ink. Stamp the image to the right and approximately 1" from the bottom of the panel. Adhere the panel unit to the card front.
4. Using the crab from the Seaside Bay Stamp Set, stamp the crab in Night of Navy ink onto a scrap piece of Basic White cardstock. Use the coordinating die from the bundle to die cut the crab.
5. Using the Seaside Bay Dies, die cut two grasses from scraps of Mint Macaron cardstock and die cut 1 clam shell from silver paper from the Silver Foil 12" x 12" Specialty Pack.
6. Adhere the die cut grasses to the card front on the left and in line with the stamped image of sand and seashells. I varied the height of the grasses. Adhere the die cut crab over the bottom of the grasses using Stampin' Dimensionals. Tuck the silver clam shell slightly under the crab on the right.
7. On the cardstock cut for the sentiment, use stamps from the Best Family Ever Stamp Set to stamp the sentiment in Night of Navy ink. For my card I used the stamps "to my", "wonderful", and "Husband". Once the sentiment is stamped, use blending brushes to lightly blend Balmy Blue and Mint Macaron ink over the sentiment label to mimic the DSP on the card front. Use the smallest rectangular shaped die from the Something Fancy Dies set to cut out the sentiment label. Adhere the sentiment label over the wrapped ribbon and to the right.

8. On the second DSP panel, stamp the sentiment "happy birthday" in Night of Navy ink. Stamp the same sand and sea shell image in Soft Suede ink towards the bottom of the DSP panel. Adhere the DSP panel to the second Night of Navy mat, then adhere this unit to the inside of the card.

9. Stamp the same sand and seashell image in Soft Suede ink onto the front of the envelope. Adhere the coordinating piece of DSP to the envelope flap and trim around the flap to finish off the envelope.
10. On the card front, adhere multiple Night of Navy Enamel Dot Essentials to finish off the card. I adhered to medium dots on either side of the sentiment label and three small dots along the "sand" line on the lower front of the card.

The card is complete! This is a great "guy" card or for anyone who enjoys the ocean! I love how the stamps from the Best Family Ever Stamp Set can be used to customize a card for any family member...it's awesome!

Products used to complete this card are included on the next page.
