I pulled out the **Daffodil Daydream Stamp Set** and **Daffodil Dies** from the Annual Catalog to create this pretty Easter card. I also wanted to introduce you to the beautiful **Elegant Borders Dies** which is a new Online Exclusive. But I also snuck in one of the embossing folders from the **Basics 3D Embossing Folders** - also an Online Exclusive! Let's get started!

- Stampin' Blends: So Saffron, Pumpkin Pie, Granny Apple Green, Starry Sky, Balmy Blue
- Adhesives: Liquid Glue, Stampin' Dimensionals, Mini Glue Dots
- Paper Trimmer
- Stampin' Cut & Emboss Machine

## 1. Card Cuts:

- Card Base - Cut 1 Balmy Blue cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
  - Panel - Cut 1 Basic White cardstock to 5-1/2" x 4-1/4"
  - Circle - Cut 1 Balmy Blue and White Country Floral Lane DSP in the stripe pattern using the largest die from the Layering Circles Dies
  - Sentiment Label - Cut 1 Balmy Blue and White Country Floral Lane DSP in stripe pattern to 2-1/2" x 3/4"
  - Small scrap of Basic White for stamping, coloring and die cutting 2 butterflies
  - Scrap of Basic White cardstock for stamping, coloring and die cutting daffodil bouquet
  - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
  - Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"
2. Using the Elegant Borders Dies, line the die up against the long edge of the 5-1/2" x 4-1/4" white panel and die cut. **Be sure that the cutting edge of the die falls along the outside edge of the panel.** I used Post It Tape to hold the die in place while die cutting.
3. From the die cut white panel from Step #2 above, use the cross-hatch embossing folder from the Basics 3D Embossing Folders set to emboss the panel. Adhere the panel to the card front using liquid glue. Use very small dots of glue on the intricate cut out on the panel. You can see the texture created by the embossing folder in the photo below.

4. Stamp the large daffodil image using Tuxedo Black Memento ink onto a scrap of Basic White cardstock and color as follows:
  - Color the daffodils using the light shade of a So Saffron Stampin' Blend.
  - Use the light shade of a Pumpkin Pie Stampin' Blend to add shadows on the petals then blend with the light shade of the So Saffron Stampin' Blend.
  - Color the stems of the daffodils using the light shade of a Granny Apple Green Stampin' Blend. Use the dark shade of the Granny Apple Green Stampin' Blend to shadow the stems then blend with the light shade of Granny Apple Green.
5. Die cut the colored daffodil image using the coordinating die from the Daffodil Dies set.
6. Using the second to largest die from the Layering Circles Dies set, die cut a circle from the Balmy Blue and white stripe DSP. Adhere the die cut daffodils to the circle using liquid glue. Allow the very top and bottom of the daffodil bouquet to hang over the edge of the circle and adhere at a slight angle. Important: Note the direction of the stripe on the die cut circle so that the stripe runs in the same direction as the sentiment label. Adhere the circle/daffodil unit to the card front using Stampin' Dimensionals and position just above the center horizontally.
7. Stamp the butterfly image from the Daffodil Daydream Stamp Set two times using Tuxedo

Black Memento ink onto Basic White cardstock. Color the outer edges of the butterflies using the dark shade of a Starry Sky Stampin' Blend. Color the inside sections of the butterflies using the dark shade of a Balmy Blue Stampin' Blend. Die cut the butterflies using the coordinating die from the Daffodil Dies set. Use a ruler or the side of a small pair of scissors to crease (bend) the butterflies in the center so their wings stand up slightly.

8. Stamp the sentiment "Easter Blessings" in Starry Sky ink and stamp the sentiment slightly right of center. Adhere the sentiment label to the card front using Stampin' Dimensionals just below the circle and centered on the white space of the embossed panel.
9. Applying liquid glue to only the center of one butterfly, adhere the butterfly to the card front just above the circle on the right. Apply glue to half of the second butterfly and adhere onto the left side of the sentiment label at an angle.
10. Tie a double bow from white twine from the Baker's Twine Essentials Pack and adhere to the stems of the daffodil bouquet using a Mini Glue Dot.
11. On the inside panel, partially stamp the single daffodil image on the lower left of the panel and color the image as you did for the daffodils on the front of the card. Stamp a single butterfly above the daffodil and color. Adhere the inside panel to the inside of the card.

12. On the envelope front, stamp a single butterfly and color in using Starry Sky and Balmy Blue Stampin' Blends. Adhere a piece of coordinating DSP to the envelope flap and trim the excess paper away from the flap to finish off the envelope.

13. Dust all of the butterflies with Wink of Stella to add some sparkle!

This completes the card!
