- Adhesive: Mini Glue Dots, Multipurpose Liquid Glue, Stampin' Dimensionals

1. Paper Cuts:

- Card Base - Cut 1 Evening Evergreen cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- DSP Panel - Cut 1 Fancy Flora Designer Series Paper in multi-color print to 5-3/8" x 4-1/8"
- White Panel - Cut 1 Basic White cardstock to approximately 4-3/8" x 3-1/8". Die cut with 3rd from largest Deckled Rectangle Die
- Scraps of Evening Evergreen and Basic White cardstock. Die cut stems from Evening Evergreen. Die cut tulip pieces from Basic White.
- Scrap of Soft Succulent cardstock for stamping and die cutting tulip leaves
- Scrap of Basic White cardstock for punching sentiment label
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- DSP Strip for Inside Panel - Cut 1 coordinating DSP strip to 3/4" x 5-3/8"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Adhere the DSP Panel to the card front.

3. Using the 3rd from largest die from the Deckled Rectangles Dies set, cut rectangle from Basic White cardstock, then adhere the panel to the card front, on top of the DSP panel.

4. Cut the following as shown in the diagram below.

- Tulip Blooms are cut from white cardstock only. You will assemble two large tulips and one tulip bud.
- Stamp the small and large leaf images onto Soft Succulent cardstock in Evening Evergreen ink. Use the coordinating dies to cut out the images.
- Not shown on the diagram - Cut 3 long, thin stems from Evening Evergreen cardstock.

5. Before assembling the tulip blooms, use sponge daubers to blend Calypso Coral onto the pieces for one large tulip bloom and the tulip bud. I left some lighter areas when blending ink onto the pieces. Use a separate sponge dauber to blend Daffodil Delight onto the remaining pieces of the large tulip bloom. Assemble the tulip blooms using liquid glue.
6. Dry fit the stems and leaves on the deckled rectangle on the card front to get an idea of placement. Adhere the stems and leaves using liquid glue. Note that two of the leaves are sitting behind the flower stems and two leaves are sitting in front of the stems. Adhere the tulip blooms at the top of their stems using Stampin' Dimensionals.
7. Stamp the "Thank you" sentiment from the Flowering Tulips Stamp Set onto a piece of Basic White cardstock using Soft Succulent ink. Use the 2" Punch to punch out the sentiment. Adhere the sentiment to the card front towards the center bottom of the card. Refer to photo for placement.
8. Cut a short length of Natural Finish Ribbon and tie a knot. Trim the ends to the desired length and slightly fray the ends. Adhere the knot bow just above the sentiment label.
9. Adhere several gold Brushed Metallic Adhesive- Backed Dots to the card front.
