- Stampin' Cut & Emboss Machine

1. Card Cuts:

- Card Base - Cut 1 Berry Burst cardstock to 11" x 4-1/4", score at 5-1/2"
- DSP Panel - Cut 1 Ombre Berry Burst print from the Bright & Beautiful Designer Series Paper pack to 5-3/8" x 4-1/8"
- Vellum Square - Cut 1 Vellum Basics Specialty DSP using largest die from the Stylish Shapes Dies
- Scraps of Old Olive, Basic White, Lemon Lolly and Berry Burst for die cutting or stamping and die cutting
- Sentiment Label - Cut 1 Old Olive cardstock to approximately 2-1/4" x 1"
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Adhere the Bright & Beautiful DSP panel to the card front (Berry Burst ombre print).
3. Using the branch with leaves stamp from the Dainty Delight Stamp Set, stamp the branch on the center of card front and towards the upper two thirds (on the DSP) using Berry Burst ink. Stamp three or four times. These stamped images will barely peek out behind the flowers you will be adhering to the card front.
4. Stamp the large floral image from the Dainty Delight Stamp Set onto a piece of Basic White cardstock using Old Olive ink. I second-generation stamped the image. Use the light shades of Old Olive and Bubble Bath Stampin' Blends to color in the image. Use the dark shades of the same Stampin' Blends to shade where needed. Use the coordinating die from the Dainty Delight Dies to cut out the image.
5. Die cut the following:

6. Do the following:
 - On the two Basic White die cuts, use a combination of Lemon Lolly and Bubble Bath to color the die cuts then adhere the colored portions to their stems.
 - Adhere a Daisy to a Daisy - being sure to offset the petals. Adhere one Copper Clay center to each Daisy. You should have two Daisies.
7. Use the largest square die from the Stylish Shapes Dies to cut out a square from vellum.
8. Apply several small drops of glue to the center of the vellum square and adhere the square to the lower third of the card front. Arrange the flower components onto the vellum square and when satisfied with the arrangement, begin adhering the pieces to the vellum square. The second daisy is adhered using a Stampin' Dimensional.
9. Stamp the sentiment "Celebrate you" onto the sentiment label then use the label die from the Stylish Shapes Dies set to cut out. Adhere the sentiment label to the bottom left of the card front at an angle.
10. Tie a small bow from white Baker's Twine and use a Mini Glue Dot to adhere the bow to the right side of the sentiment label.
11. On the inside panel, stamp the large floral image. Second generation stamp the image in Old Olive ink. Use Old Olive and Bubble Bath Stampin' Blends to color in the image. Stamp and color the same image partially onto the envelope front.
