I used the fun **Zany Zoo Bundle** and **Zoo Crew 12" x 12" Designer Series Paper** to create this cute Birthday card. The reversed side of the designer series paper is black and white. What's great about black and white DSP? You can color it! And that's what I did for this card. This time our Zoo Crew are on an outdoor adventure!

- Paper Trimmer
- Stampin' Cut & Emboss Machine

1. Card Cuts:

- Card Base - Cut 1 Lemon Lime Twist cardstock to 11" x 4-1/4", score at 5-1/2"
 - Outside & Inside Mats - Cut 2 Basic Black cardstock to 5-1/4" x 4"
 - DSP Panel - Cut 1 small black & white flower print to 5" x 3-3/4"
 - Scraps of Basic White and Basic Black cardstock for die cutting and punching circles
 - Scraps of Lemon Lime Twist for die cutting trees
 - Inside Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"
 - DSP Strip - Cut 1 small black & white flower print to 3-3/4" x 1"
 - Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"
2. On the DSP Panel measuring 5" x 3-3/4" I used the dark shades of a Lemon Lolly and Bubble Bath Stampin' Blends to color in the small flowers. Because I don't yet have Stampin' Blends for Lemon Lime Twist, I used a Blender Pen dipped in my Lemon Lime Twist ink pad and colored the leaves on the DSP. The DSP panel was then adhered to one of the Basic Black mats, then this unit was adhered to the card front.
3. I used a 2-3/8" Circle Punch to punch out two Basic White circles. I used the 2nd to largest circle die from the Stylish Shapes Dies to cut out two Basic Black circles.
4. From a scrap of Lemon Lime Twist cardstock, I die cut two small and two large pine trees. I used the coordinating die to cut out the skunk and bird image from the Designer Series Paper. The four pine trees were adhered to either side of one of the white circle. The skunk was adhered in the center of this circle using Stampin' Dimensionals. The white circle was then adhered to one of the black circles.
5. On the second white circle, I used the confetti stamp to stamp confetti around the edge of the circle in Pool Party ink (this ink coordinates with the bird sitting on top of the skunk's head). I stamped the "Happy Birthday to you" sentiment onto the center of this circle using Lemon Lime Twist ink. I then adhered this circle to a black circle mat.

6. The two finished and matter circles were adhered to the card front. The circle with the trees and skunk was adhered using liquid glue onto the lower right of the card front. The sentiment circle was adhered onto the upper left of the card front using Stampin' Dimensionals.
7. A double bow from Lemon Lime Twist ribbon from the Ribbon Duo Combo Pack was added to the sentiment label using a Mini Glue Dot.
8. A 1" DSP strip was added to the inside panel and the panel was adhered to a Basic Black mat, then adhered to the inside of the card.

10. Several Pool Party Glossy Dots were added to the card front to finish off the card.
