1. Paper Cuts:

- Card Base - Cut 1 Pretty Peacock cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside & Inside Mats - Cut 2 pieces of Daffodil Delight cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 Pretty Peacock and Daffodil Delight print DSP from the Hello Irresistible Designer Series Paper pack to 5-1/4" x 4"
- Sentiment Label - Cut 1 Lost Lagoon/Pretty Peacock print from the Hello Irresistible Designer Series Paper pack to 2-7/8" x 7/8".
- Sentiment Label Mat - Cut 1 Pretty Peacock cardstock to 3" x 1"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating piece of DSP to 6" x 2-1/2"

2. On the DSP Panel, use the tall seaweed image from the Beauty of the Deep Stamp Set and stamp the image from the bottom of the panel upwards using Soft Sea Foam ink. Vary the height of the seaweed as you stamp across the panel. Use the sand image from the Beauty of the Deep Stamp Set and stamp sand across the bottom edge of the panel in Copper Clay ink. Adhere the panel to one of the Daffodil Delight mats, then adhere this unit to the front of the Pretty Peacock card base.
3. Use the Beauty of the Deep Dies to cut out 1 large coral from Pretty Peacock cardstock and die cut 4 small coral pieces from Daffodil Delight cardstock. Set aside for now.
4. Stamp the anchor image from the Beauty of the Deep Stamp Set onto a scrap piece of Crumb Cake cardstock in Copper Clay ink. Use the coordinating die to cut out.
5. On the sentiment label, stamp the tips of the seaweed image in Soft Sea Foam ink across the bottom the label. From the Everlasting Beauty Stamp Set, stamp the sentiment "here's to all the beautiful things yet to come" in Night of Navy ink onto the sentiment label. Adhere the sentiment label to the Pretty Peacock sentiment label mat.
6. Arrange the die cut coral pieces and anchor along the bottom of the DSP panel and adhere into place using liquid glue. Use Wink of Stella to dust some sparkle onto the large Pretty Peacock coral. Refer to photos for placement.
7. Cut a length of the Wavy Trim to approximately 5-1/4" and adhere the trim across the DSP panel using several Mini Glue Dots. Position the trim approximately 1" from the top of the DSP panel. Adhere the sentiment label over top of the trim using Stampin' Dimensionals and position the label in the upper left corner of the DSP panel.

8. Use two different blending brushes to blend Pretty Peacock and Daffodil Delight ink across the inside panel. Ink blend the entire surface. This will mimic the DSP panel on the card front. Stamp the seaweed image in Soft Sea Foam ink along the left edge of the inside panel and then stamp several more times, making the seaweed shorter in length as you move from left to right. Use the sand stamp to stamp sand along the bottom edge of the panel using Copper Clay ink. Stamp a single fish along the bottom right of the panel using Lost Lagoon ink. Adhere the panel to the remaining Daffodil Delight mat, then adhere to the inside of the card.

9. Without reinking, use the remaining ink on your blending brushes to lightly blend Pretty Peacock and Daffodil Delight ink onto the lower left front of the envelope. Stamp a small portion of the seaweed image using Soft Sea Foam ink onto the ink blended corner and stamp a single fish using Lost Lagoon ink over the same area.
10. Adhere multiple Iridescent Rhinestones Basic Jewels to the card front. I placed three medium jewels onto the left side of the sentiment label, then scattered the remaining jewels along the "ocean floor".
