1. Card Cuts

- Card Base - Cut 1 Very Vanilla cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- DSP Panel #1 - Cut 1 Calypso Coral print to 5-3/8" x 2"
- DSP Panel #2 - Cut 1 Calypso Coral and Crushed Curry print to 3-1/2" x 2"
- DSP Panel #3 - Cut 1 Crushed Curry print to 1-13/16" x 2"
- Panel for Stamping - Cut 1 Very Vanilla cardstock to 4-1/2" x 2-3/8"
- Sentiment Label - Cut 1 Calypso Coral cardstock to 3" x 1/2"
- Inside Mat - Cut 1 Calypso Coral cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Very Vanilla cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Start by adhering the three DSP panels to the front of the card base. Try to leave an equal reveal around all three pieces. Adhere with glue.
3. On the Very Vanilla panel measuring 4-1/2" x 2-3/8", use Early Espresso ink to stamp the large flower image onto the panel. Use the Very Best Trio Punch to punch out each corner using the decorative corner on the punch. **Important Note: In order to have a symmetrical look to the panel, for each short end of the panel, punch the first corner, then flip the cardstock panel over to the backside and punch the opposite corner. Repeat this for the other short end of the cardstock panel.**
4. Adhere the stamped and punched panel to the card front using Stampin' Dimensionals. Position the panel to the left of the card front.
5. Stamp the sentiment "Just a note" in Early Espresso ink onto the Calypso Coral label. Use the Very Best Trio Punch to punch a slanted edge on each side of the label.

6. On the stamped Very Vanilla panel, use a small amount of Stampin' Seal on the lower right of the panel (about where the seam for DSP Panel #2 and DSP Panel #3 meet). On a protected work surface, use the dark shade of a Calypso Coral Stampin' Blend to color a length of Baker's Twine and allow to dry for a minute. Loop the twine several times and adhere the twine to the area of Stampin' Seal. Adhere the sentiment label to the lower right of the card front, partially over top of the looped twine and partially over the DSP panels. Use a combination of glue and Stampin' Dimensionals to adhere the label to the card front.
7. On the inside panel, partially stamp the large flower image in Early Espresso ink. Adhere the panel to its Calypso Coral mat, then adhere to the inside of the card.

8. Partially stamp the large flower image onto the lower left front of the envelope. Adhere the piece of coordinating DSP to the envelope flap and trim the excess paper away from the flap.
9. Use the dark shade of a Calypso Coral Stampin' Blend to color three small Rhinestone Basic Jewels. Adhere the rhinestones to the card front around the flowers.
