- Card Base - Cut 1 Lemon Lolly cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
 - DSP Panel - Cut 1 Inked Botanicals Designer Series Paper in a Lost Lagoon print to 5-1/4" x 4"
 - Sentiment Label - Cut 1 Basic White cardstock to 1-5/8" x 1-3/8"
 - Sentiment Label Mat - Cut 1 Lemon Lolly cardstock to 1-3/4" x 1-1/2"
 - Scraps of Basic White cardstock for stamping and/or die cutting cow and clouds
 - Scraps of Lemon Lolly cardstock for die cutting stars
 - Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/2"
2. Adhere the DSP Panel to the card front using liquid glue.
 3. Stamp and/or die cut the following, then follow any additional directions:
 - Stamp the cow image using Tuxedo Black Memento Ink onto a scrap of white cardstock. Die cut with coordinating die. Use a Bubble Bath Stampin' Blend to color the inside of the cow's ears and the nose. Use a Smoky Slate Stampin' Blend to color in the cow's spots and hooves.
 - Die cut 3 large and two small clouds from white cardstock. Use the light shade of a Pool Party Stampin' Blend to trace around the edges of the clouds. Use a Stampin' Blend Color Lifter to blend the Pool Party ink slightly.
 - Die cut 1 moon image from Lemon Lolly cardstock.
 - Die cut the 3-star image from Lemon Lolly cardstock two times.
 - Use the rectangular Star die to die cut multiple, smaller stars from Lemon Lolly cardstock.
 4. Stamp the sentiment "A star is born" onto the sentiment label using Tuxedo Black Memento Ink. Adhere the sentiment label to its Lemon Lolly mat.
 5. Cut a length of Lemon Lolly Sheer Ribbon and fold the ribbon in half. Use a small amount of Stampin' Seal to adhere the ribbon to the lower right corner of the card front at an angle. Adhere the sentiment label over the ribbon using Stampin' Dimensionals. Trim the ribbon ends as necessary.
 6. Glue one of the large clouds to the left of the upper corner of the sentiment label and tuck the right side of the cloud slightly under the sentiment. Adhere the cow over top of this cloud and sentiment label using Stampin' Dimensionals. The cow will be slightly overlapping the top of the sentiment label. Refer to photos for placement.

7. Adhere the moon to the upper left corner of the card front using liquid glue. Adhere the remaining four clouds to the card front using Stampin' Dimensionals. One large cloud is partially covering the bottom of the moon with a small cloud sitting in front of the large cloud. The remaining two clouds are adhered with Stampin' Dimensionals on the upper right of the card front and overlap each other slightly.
8. Using very small drops of liquid glue, adhere the Lemon Lolly stars all over the card front and equally space the stars out. You will have leftover stars...I did not glue down the tiniest stars. Glue one larger star to the upper right of the sentiment label.
9. On the inside panel, stamp the shooting star image in Tuxedo Black Memento ink onto the upper left corner of the panel. Color in the star with a Lemon Lolly Stampin' Blend. Stamp the sentiment "Congratulations on your new little one" in Memento ink slightly below and to the right of the shooting star. Stamp the cow image in Memento ink onto the lower right corner of the panel. Color in the inside of the cow's ears and nose using a Bubble Bath Stampin' Blend. Color in the cow's hooves and spots using a Smoky Slate Stampin' Blend. Adhere the panel to the inside of the card.

11. Adhere the coordinating piece of designer series paper to the envelope flap and trim the excess paper away from the flap.
12. Use Wink of Stella to brush some sparkle to all of the stars on the card front, the shooting star on the inside of the card and the shooting star on the envelope front.

This completes the card! How cute! This set also includes a lion holding a star shaped balloon, a leaping elephant, and a chipmunk holding a butterfly net...so this set would make great children's birthday cards, too! Just pull a birthday sentiment from another stamp set!
