I created this card using the **Trucking Along Stamp Set**, Stylish Shapes Dies and the Glorious Gingham 6" x 6" Designer Series Paper. The Trucking Along Bundle comes with the stamp set and a punch, however, the Trucking Along Punch is currently unavailable (expected back in stock in a few months). But you can still create awesome cards using the **Trucking Along Stamp Set** all by itself! This has been a very popular bundle and you can see why...so cute!

## Supplies:

- Trucking Along Stamp Set
- Stylish Shapes Dies
- Glorious Gingham 6" x 6" Designer Series Paper
- Herringbone Ribbon
- Rhinestone Basic Jewels
- Paper: Basic White, Real Red
- Ink: Tuxedo Black Memento Ink, Real Red, Pretty Peacock, Lost Lagoon, Pebbled Path
- Stampin' Blends: Real Red, Smoky Slate, Pool Party, Color Lifter
- Basic Black Stampin' Write Marker

- Adhesives: Multipurpose Liquid Glue, Stampin' Dimensionals
- Paper Trimmer
- Paper Snips
- Stampin' Cut & Emboss Machine

## 1. Card Cuts:

- Card Base - Cut 1 Real Red cardstock to 11" x 4-1/4", score at 5-1/2"
- DSP Panel - Cut 1 Glorious Gingham print in Pretty Peacock to 5-3/8" x 4-1/8"
- Banner Strip - Cut 1 Real Red cardstock to 4-3/4" x 1"
- Square - Cut 1 Basic White cardstock to 2-7/8" x 2-7/8"
- Inside Mat - Cut 1 Real Red cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/2"

## 2. Adhere the DSP Panel to the front of the card base.

## 3. On the Real Red 4-3/4" x 1" strip of cardstock, hand cut a banner end on one side using paper snips or scissors. Glue the banner onto the card front. Line the uncut end of the banner to the top of the card and center from left to right.

## 4. From the Stylish Shapes Dies, cut 1 square from Basic White cardstock using the largest square die.

## 5. From the Trucking Along Stamp Set, stamp the sentiment "Special Delivery" in Tuxedo Black Memento Ink onto the bottom of the die cut square from Step #4 above. Using the same ink, stamp the detailed image of the truck just above the stamped sentiment. Use the two-step stamps to stamp the Christmas tree above the bed of the truck. I first used the "fill" stamp to stamp the tree using Lost Lagoon ink, then used the "detailed" tree stamp to stamp over the fill using Pretty Peacock ink. Stamp "Farm Fresh" on the truck door using Tuxedo Black Memento Ink. Using the "road" image from the stamp set, second-generation stamp the roadway below the truck using Pebbled Path ink.

## 6. Use Stampin' Blends to color in the truck as follows:

- Truck Body - Color in with Real Red. Use a Stampin' Blend Color Lifter to lift a highlight on each truck fender and the front of the truck hood.
- Truck front and rear bumper and Truck tire rims - Color in using Smoky Slate
- Truck Tires - Use a Basic Black Stampin' Write Marker
- Truck Windows - Color using Pool Party

7. Adhere the stamped and colored square to the card front using Stampin' Dimensionals. Position the square over the red banner and center from left to right.
8. On the inside panel, stamp the sentiment "Wishing you a Festive Christmas" in Real Red ink. Use Tuxedo Black Memento ink to stamp partial images of the truck on the lower portion of the panel. I stamped about half of the front of the truck on the lower right corner and the back half of the truck on the lower left corner of the panel. Use the two-step stamps to stamp the Christmas Tree onto the back of the truck bed using Lost Lagoon and Pretty Peacock inks. Stamp "Farm Fresh" using Tuxedo Black Memento ink onto the truck door. Color the truck images in using Stampin' Blends as you did in Step #6 above. Adhere the panel to its Real Red mat, then adhere this unit to the inside of the card.

9. Stamp a partial image of the truck onto the envelope front. Use the two step stamps to stamp the Christmas Tree onto the back of the truck bed using Lost Lagoon and Pretty Peacock inks. Stamp "Farm Fresh" onto the truck door in Tuxedo Black Memento Ink. Use Stampin' Blends to color in the truck image as you did in Step #6 above. **Caution: Place a scrap piece of paper or cardstock inside of the envelope before coloring the image to prevent bleed through.**
10. Adhere the coordinating piece of designer series paper to the envelope flap and trim the excess paper away from the flap.
11. Tie a bow using the white Herringbone Ribbon. Use glue to adhere the bow above the stamped square and over the red banner on the card front. You will need to hold the bow in place until the glue sets.
12. Use a Real Red Stampin' Blend marker to color three Rhinestone Basic Jewels. Adhere the rhinestones to the stamped square on the card front.

This completes the card! How adorable is this cute little red truck! Of course, you can color your truck in any way you like and coordinate the color of the truck with your designer series paper.
