- Panel #2 for Die Cutting Scalloped Border - Cut 1 Pebbled Path cardstock to 5-1/2" x 1-1/2"
  - Sentiment Label - Cut 1 Basic White cardstock to 1-7/8" x 1-1/8"
  - Sentiment Label Mat - Cut 1 Pebbled Path cardstock to 2" x 1-1/4"
  - Scraps of Bubble Bath, Pebbled Path and Basic White cardstock for die cutting flowers, flower centers, and leaves.
  - Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
  - Inside Mat - Cut 1 Pebbled Path cardstock to 5-3/8" x 4-1/8"
2. Start by cutting the scalloped border on Panel #1 and Panel #2. Refer to the photo and instructions below for die cutting. Use the bubble stamp from the Around the Bend Stamp Set to stamp bubbles in Pebbled Path ink all along the scalloped border of the white Panel #1. Adhere the white Panel #1 to the Pebbled Path Panel #2 and make sure that the top and bottom edges are flush with each other. Leave approximately 1/4" of the Pebbled Path border showing from underneath of the white panel. Adhere this unit to the card front so that the left, top and bottom edges of the unit are flush with the left, top and bottom edges of the card base. You may need to trim the scalloped die cuts so that they are flush with the card base.

3. Stamp the sentiment "hello there" in Pebbled Path ink onto the sentiment label. Adhere the label to its Pebbled Path mat. Adhere the sentiment label to the card front using Stampin' Dimensionals and position to sentiment label approximately two-thirds of the way down on

the card front and to the right.

- Adhere the three large Bubble Bath flowers to the card front using Stampin' Dimensionals. Adhere two of the three smaller Bubble Bath flowers to the card front. This completes the card! This card uses no designer series paper and limited supplies. Did you notice how the stamped bubbles on the card front give the illusion that they are cut out rather than stamped?

Products used to create this card are included on the next page along with links for each item that will take you to my online store.
