The **Autumn Leaves Bundle** (stamps and dies) was used to create this pretty Thanksgiving card. I also used the amazing **All About Autumn 6" x 6" Specialty Designer Series Paper** and the Timber 3D Embossing Folder along with some ink blending. This card came together quickly and was easy to make. The **Autumn Leaves Stamp Set**, **Autumn Leaves Dies** and the **All About Autumn Specialty Designer Series Paper** are upcoming products that will be available in the Sep-Dec 2023 Mini Catalog (available Sept 6 for customer orders). Let's get started on the card!

- Adhesives: Multipurpose Liquid Glue, Stampin' Dimensionals, Stampin' Seal
- Paper Trimmer
- Stampin' Cut & Emboss Machine

## 1. Card Cuts:

- Card Base - Cut 1 Pumpkin Pie cardstock to 11" x 4-1/4", score at 5-1/2"
- Outside & Inside Mats - Cut 2 Early Espresso cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 woodgrain print from the All About Autumn Specialty DSP to 5-1/4" x 4"
- Embossed Strip - Cut 1 Early Espresso cardstock to 5-1/4" x 1-1/2"
- Scraps of Crushed Curry and Old Olive cardstock for die cutting leaves
- Sentiment Label - Cut 1 Crushed Curry cardstock to approximately 2-1/2" x 1-1/8"
- Inside Panel - Cut 1 Very Vanilla cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating designer series paper to 6" x 2-1/4"

2. Adhere the DSP Panel to one of the Early Espresso Mats and then adhere this unit to the card front.

3. Use the Timber 3D Embossing Folder to emboss the 5-1/4" x 1-1/2" Early Espresso strip. Adhere the strip to the left side of the card front. Leave approximately a 1/2" of the designer series paper showing on the left side of the strip.

4. Use the Autumn Leaves Dies and die cut the following. Follow any additional instructions provided below.

- Die cut 5 small oak leaves from Crushed Curry cardstock. There are two of these dies in the set so you can cut two leaves at a time. Use a Sponge Dauber to blend Old Olive ink around the edges of the oak leaves. Use a separate Sponge Dauber to blend Pumpkin Pie ink around the centers of the leaves. The Crushed Curry color still shows through on the leaves slightly, giving them a glow!
- Die cut 2 of the smallest leaves from Old Olive cardstock. There are two of these dies in the set so you can cut both leaves at the same time. Use a Sponge Dauber to blend Old Olive ink around the edges of the leaves.

5. Stamp the sentiment "with a grateful heart" in Early Espresso ink onto a scrap of Crushed Curry cardstock. Use the rectangular sentiment label die from the Autumn Leaves Dies set to cut out the sentiment.

6. Adhere four of the five oak leaves along the embossed strip on the card front. Refer to photos for placement.

7. Using three lengths of Linen Thread, tie a large, loopy bow. Apply a small amount of Stampin' Seal on the card front approximately two-thirds of the way down on the card and to the right of the embossed strip. Adhere the triple bow to the area of Stampin' Seal.

8. Adhere the sentiment label over top of the triple bow and to the right of the card front. Double stack Stampin' Dimensionals to adhere the sentiment label. You will need the sentiment label to sit higher so that it clears the triple bow.
9. Adhere the remaining oak leaf to the lower right of the sentiment label. Support the portion of the leaf that hangs off of the sentiment label with double stacked Stampin' Dimensionals. You may need to cut down the dimensionals to make them fit under the leaf so that they do not show.
10. Adhere the two smallest leaves above the right side of the sentiment label and tuck the ends of the leaves under the label.
11. Using the Autumn Leaves Stamp Set, stamp the oak leaf onto the upper and lower corners of the Inside Panel (opposite corners). Stamp the leaf twice in each corner using Old Olive ink. Use a Sponge Dauber to blend Pumpkin Pie ink onto the centers of the stamped leaves. Adhere the panel to the remaining Early Espresso mat then adhere this to the inside of the card.

12. Partially stamp the same oak leaf image onto the lower corner of the envelope front two times in Old Olive ink. Use a Sponge Dauber to blend Pumpkin Pie ink onto the centers of the leaves.
13. Adhere the coordinating piece of designer series paper to the envelope flap and trim the excess paper away from the flap.
14. Adhere multiple green Adhesive-Backed Speckled Dots onto the card front. I placed four down the embossed strip and one just below the sentiment label.
