## 1. Card Cuts:

- Card Base - Cut 1 Blueberry Bushel cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside & Inside Mats - Cut 2 Bubble Bath cardstock pieces to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 Lemon Lime Twist Bright & Beautiful DSP to 5-1/4" x 4"
- Trees - Pretty Peacock stripe print from Bright & Beautiful DSP
- Garland - Scraps of Blueberry Bushel, Bubble Bath and Lemon Lime Twist cardstock
- Stars - Scraps of Basic White cardstock
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"

2. On the Lemon Lime Twist panel measuring 5-1/4" x 4", repeatedly stamp the detailed image of the Christmas Tree in Lemon Lime Twist ink across the panel. Vary the height of the trees. This helps fill in the background and gives the impression of distant trees. Adhere the panel to one of the Bubble Bath mats, then adhere this unit to the card front.

## 3. Die cut the following:

- Cut 1 large tree from the Pretty Peacock striped DSP print
- Cut 1 medium tree from the Pretty Peacock striped DSP print

- Cut 1 medium tree from Pretty Peacock cardstock
  - Cut 1 small tree from the Pretty Peacock striped DSP print
  - Die cut 3 rounded stars from Basic White cardstock
  - Use the garland die to die cut garland from scraps of Lemon Lime Twist, Bubble Bath and Blueberry Bushel cardstock
4. On the medium sized tree cut from designer series paper, stamp the sentiment "We wish you a Merry Christmas" onto the tree in Versamark ink. Sprinkle white embossing powder over the stamped sentiment then use a Heat Tool to set the embossing powder. Adhere the embossed medium sized tree to the medium sized tree cut from Pretty Peacock cardstock. Drop the cardstock tree down just a bit so that it is showing along the bottom and sides. This provides a sturdier tree when we adhere it to the card front, plus it helps this tree stand out a bit more.

5. Adhere garland pieces to each tree. Refer to photos for placement. Alternate between Bubble Bath, Lemon Lime Twist and Blueberry Bushel garland. Trim the garland pieces as needed so they fit across the trees. On the sentiment tree I only placed one piece of garland on the top and one on the bottom of the tree.

6. Adhere the large tree on the left side of the card front and the small tree on the right side of the card front using liquid glue. Adhere the sentiment tree slightly right of center using Stampin' Dimensionals. Adhere a white die cut star to the top of each tree.
7. Using the small snowflake stamp, stamp snowflakes above the trees using Blueberry Bushel ink.
8. On the inside panel, stamp the solid image of the tree in Lemon Lime Twist ink onto the lower left of the panel, then stamp the detail tree over top using Pretty Peacock ink. Stamp the inside sentiment in Pretty Peacock ink towards the top right of the panel. Stamp a few snowflakes above the tree using Blueberry Bushel ink. Adhere the panel to a Bubble Bath mat, then adhere to the inside of the card.

9. Partially stamp the same solid and detailed images of the tree onto the envelope front. Stamp the solid image of the tree in Lemon Lime Twist ink and the detailed image of the tree in Pretty Peacock ink. First and second-generation stamp stars around the tree in Blueberry Bushel ink.
10. Adhere a piece of the Lemon Lime Twist designer series paper to the envelope flap and trim the excess away from the flap.
