This pretty and easy card was created using the **Stars at Night Bundle** and the **Stars at Night Hybrid Embossing Folder** (which is included in the Bundle!) along with a little bit of ink blending. This card uses limited supplies but makes a huge impact!

Supplies:

- Stars at Night Bundle which includes stamps, dies and hybrid embossing folder (Item #162007)
- Iridescent Rhinestones Basic Jewels
- White Iridescent Ribbon (Item #161955)
- Blending Brush
- Cardstock: Basic White, Pool Party
- Ink: Pool Party
- Adhesives: Multipurpose Liquid Glue, Stampin' Seal, Stampin' Dimensionals
- Paper Trimmer
- Stampin' Cut & Emboss Machine

Stars at Night Christmas Card

1. Card Cuts:

- Card Base - Cut 1 Pool Party cardstock to 11" x 4-1/4". Score at 5-1/2"
- Panel - Cut 1 Basic White cardstock to 5-1/2" x 3-3/4"
- Sentiment Label - Cut 1 Basic White cardstock to 4-1/4" x 3/8"
- Scraps of Basic White cardstock for die cutting star and stamping and die cutting greenery
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"

2. On a small scrap of Basic White cardstock, stamp the two small greenery stems in Pool Party ink from the Stars at Night Stamp Set. Use the coordinating dies to cut out the greenery stems using the Stars at Night Dies.

3. Use another piece of scrap white cardstock to die cut the large center focal star. The focal star is both embossed and die cut at the same time using the Stars at Night Hybrid Embossing Folder and the Stars at Night Dies.

- Fully open the Stars at Night Embossing Folder and place on your work surface **with the black line on the embossing folder facing you.**
- Place the large 3-star die onto the open embossing folder (cutting edge should be face up). Line up the three stars on the embossing folder with the 3 stars of the die. The die will sit firmly over the stars on the embossing folder and will somewhat "lock" in place when fitted together correctly.
- Carefully place your piece of cardstock over the large star in the embossing folder, close the embossing folder and run through your Stampin' Cut & Emboss Machine.
- Once the large star is die cut and embossed, use a blending brush to blend Pool Party ink over the star. I blended ink on this star to get equal coverage of the ink all over and concentrated the color on the very center of the star to make it slightly darker.

4. Next, emboss the white panel measuring 5-1/2" x 3-3/4" using the Stars at Night Hybrid Embossing Folder. You will want to center the large star from left to right on the embossing folder onto this panel when embossing. The large star will sit on the upper two thirds of the panel. Once the panel is embossed, use a Blending Brush to lightly blend Pool Party ink over all of the raised areas of the embossed panel. This will highlight all of the stars and snowflakes on the panel.

5. Using liquid glue, adhere the embossed 5-1/2" x 3-3/4" panel to the card front. There should be a 1/4" of the card base showing on both the right and left sides of the embossed panel. The top and bottom edges of the panel should be flush with the card base.
6. Stamp the sentiment "Celebrating the Magic of the Season" in Pool Party ink onto the sentiment label. Adhere the sentiment label towards the bottom of the card front using Stampin' Dimensionals. The bottom edge of the sentiment label sits approximately 3/4" from the bottom of the card base.
7. Place a small amount of Stampin' Seal over the large, embossed star on the 5-1/2" x 3-3/4" panel. Use a length of White Iridescent Ribbon and fold the ribbon in half and adhere to the area of Stampin' Seal. Trim the ribbon ends as needed. Adhere the die cut and ink blended large star over top of the folded ribbon on the card front using Stampin' Dimensionals.

8. Using liquid glue, tuck the ends of the greenery sprigs under the large star on the card front. Tuck one on the lower right and one on the upper left of the large star.
9. On the inside panel, second-generation stamp the large star towards the upper part of the panel in Pool Party ink. Stamp the sentiment "Merry Christmas" overtop of the stamped star. Stamp the dotted star partially onto the lower left of the panel. Adhere the panel to the inside of the card.

10. Partially stamp the dotted star onto the lower left of the envelope front in Pool Party ink. Partially stamp the same image three times across the envelope flap in Pool Party ink.
11. Place a large Iridescent Rhinestone onto the center of the large star on the card front. Place six additional, smaller rhinestones on the embossed stars across the card front.

This completes the card! The Pool Party base and ink blending on this card in Pool Party give this card a soft look. The White Iridescent Ribbon and Iridescent Rhinestones provide just the right amount of sparkle! I hope you will give this card a try!.

Products used to create this card are included on the next page. Item numbers for the products that will be available on September 6 from the new Sept-Dec 2023 Mini Catalog are included under the supply list above.
