Today's card uses the **Trucking Along Stamp Set** and the fun **Delightfully Eclectic 12" x 12" Designer Series Paper**. I also used an easy masking technique on this card for stamping the tree behind the truck. Let's get started!

Supplies:

- Trucking Along Stamp Set
- Delightfully Eclectic 12" x 12" Designer Series Paper
- Stylish Shapes Dies
- Baker's Twine Essentials Pack
- Glossy Dots Assortment
- Cardstock: Misty Moonlight, Daffodil Delight, Basic White
- Ink: Tuxedo Black Memento Ink, Balmy Blue, Granny Apple Green, Smoky Slate
- Stampin' Blends: Balmy Blue, Granny Apple Green, Smoky Slate, Pecan Pie, Pumpkin Pie, Pool Party
- Adhesives: Multipurpose Liquid Glue, Stampin' Dimensionals, Stampin' Seal
- Paper Trimmer

Project Sheet - Sep 5 2023

- Stampin' Cut & Emboss Machine

1. Card Cuts:

- Card Base - Cut 1 Misty Moonlight cardstock to 11" x 4-1/4". Score at 4-1/4" and 5-1/2"
- Mats
 - Cut 1 Daffodil Delight cardstock to 4-1/8" x 1-1/8"
 - Cut 2 Daffodil Delight cardstock to 4-1/8" x 4-1/8"
- Designer Series Paper Panels
 - Cut 1 geometric plaid in Night of Navy and Misty Moonlight to 4" x 1"
 - Cut 1 geometric plaid in Night of Navy and Misty Moonlight to 4" x 4"
- Panel for Stamping - Cut 1 Basic White cardstock to approximately 2-7/8" x 2-7/8"
- Mat for Stamped Panel - Cut 1 Daffodil Delight cardstock to 2-7/8" x 2-7/8"
- Sentiment Label - Cut 1 Basic White cardstock to approximately 3-1/2" x 1-1/8"
- Sentiment Label Mat - Cut 1 Daffodil Delight cardstock to 3-1/2" x 1-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 4" x 4"
- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"

2. On the card base, wrap a length of white Baker's Twine around the "spine" portion of the Book Fold and tie a bow at the front of the card. Then, apply glue to the area between the 4-1/4" and 5-1/2" score lines (on the inside of the card) and adhere this section together to form the "spine" of the Book Fold card. Make sure that the Baker's Twine remains in the center of the spine portion of the card while gluing.

3. Adhere the designer series paper panel measuring 4" x 1" to the Daffodil Delight mat measuring 4-1/8" x 1-1/8". Adhere the 4" x 4" designer series paper mat to its 4-1/8" x 4-1/8" to its Daffodil Delight mat. Adhere these panels to the card front.

4. On a scrap of Basic White cardstock measuring at least 2-7/8" x 2-7/8", stamp the following:

- Stamp the truck image towards the bottom of the square in Tuxedo Black Memento ink.
- Stamp the sunflower image in the bed of the truck - also in Tuxedo Black Memento ink.
- Stamp the roadway image in Smoky Slate ink just under the stamped truck image.
- Stamp the truck onto a Post It Note (making sure to stamp the top of the truck towards the "sticky" side of the Post It Note). Fussy cut around the front hood and top of the truck. Adhere the Post It Note "mask" to the stamped truck on the square. Now stamp the tree image in back of the truck using Tuxedo Black Memento Ink. I stamped the tree towards the front of the truck, and you will only see the tree top and not the tree trunk. Remove the mask (Post It Note).
- Using Balmy Blue ink, stamp several clouds in the sky.

5. Use Stampin' Blends to color in the images from Step #4 above.

- Color the truck body in Balmy Blue
- Color the truck's windows using Pool Party
- Color the tree using Granny Apple Green
- Color the sunflower leaves in Granny Apple Green

Project Sheet - Sep 5 2023

- Color the sunflower petals in Daffodil Delight
 - Color the sunflower centers in Pumpkin Pie
 - Use the light and dark shades of Smoky Slate to color in the truck's tires
6. Use the largest square die from the Stylish Shapes Dies to cut out the stamped and colored panel. Adhere this panel to its Daffodil Delight mat.

7. Stamp the sentiment "Sending you sunny thoughts" in Tuxedo Black Memento ink onto a scrap piece of Basic White cardstock. Use the large banner die from the Stylish Shapes Dies set to cut out the label. Cut a second label from Daffodil Delight cardstock. Adhere the white sentiment label to the Daffodil Delight label and leave about a 1/4" of the yellow label showing underneath the white label on the right.
8. Adhere the stamped and colored square panel to the card base. Position the panel to the lower right of the card front using Stampin' Dimensionals. Use a combination of Stampin' Dimensionals and glue to adhere the sentiment label to the card front and position the label across the top of the card. The label will slightly overlap the stamped and colored square.
9. On the inside panel use the two-step stamps to stamp the tree onto the lower right corner of

the panel. Stamp the detail of the tree in Tuxedo Black Memento ink and stamp the fill of the tree in Granny Apple Green ink. Use Balmy Blue ink to stamp clouds across the top of the panel. Adhere the panel to its Daffodil Delight mat, then adhere this to the inside of the card.

10. Stamp the same tree image onto the envelope front as you did in Step #9 above. Stamp two clouds in Balmy Blue ink above the tree.
11. Adhere the coordinating piece of designer series paper to the envelope flap and trim the excess paper away from the flap.
12. Adhere several yellow Glossy Dots to the card front. I adhered mine to the sentiment label.

This completes the card! The Trucking Along set has a coordinating builder punch. This punch sold out almost immediately, but it will be back in stock in October...in time for Christmas! I love the Trucking Along set as it creates some uplifting cards, whether for every day or for the holidays!

Products used to create this card are included on the next page.
