- Ink: Tuxedo Black Memento Ink, Cherry Cobbler, Pecan Pie
- Stampin' Blends: Cherry Cobbler, Calypso Coral, Shaded Spruce, Daffodil Delight, Crumb Cake
- Adhesives: Multipurpose Liquid Glue, Stampin' Dimensionals, Mini Glue Dots
- Paper Trimmer
- Stampin' Cut & Emboss Machine

1. Card Cuts:

- Card Base - Cut 1 Shaded Spruce cardstock to 11" x 4-1/4", score at 5-1/2"
- Outside & Inside Mats - Cut 2 Cherry Cobbler cardstock to 5-1/4" x 4"
- DSP Panel - Cut 1 plaid print from the Joyful Specialty Designer Series Paper to 5" x 3-3/4"
- Sentiment Label - Cut 1 Basic White cardstock to approximately 3-1/2" x 1/2"
- Sentiment Label Mat - Cut 1 Gold Foil to 3-3/8" x 5/8"
- 2-3/8" Circle - Punch 1 from Cherry Cobbler cardstock
- 2" Circle - Punch 1 from Gold Adhesive-Backed Glimmer Paper
- Scraps of Pecan Pie and Gold Foil for die cutting crate and crate hinges
- Scrap of Basic White for die stamping and die cutting flowers
- Inside Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"
- Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"

2. Adhere the DSP Panel to one of the Cherry Cobbler mats, then adhere this to the card front.
3. Adhere the Gold Adhesive-Backed Glimmer Paper 2" circle to the Cherry Cobbler 2-3/8" circle. Adhere the circle unit to the top of the card front and center from left to right. The top of the circle sits approximately 3/4" from the top edge of the folded card base.
4. Using the Rustic Crate Dies, die cut the crate from Pecan Pie cardstock. Die cut the side crate straps and the corner crate pieces from Gold Foil. Adhere the front and back crate pieces together using liquid glue. Note that the tabs on the back crate piece fold in and you will use these tabs to adhere the front and back together. Adhere the Gold Foil accents to the crate (refer to photos for reference). Adhere the crate handle to the back of the crate.

5. Stamp the Poinsettia image onto a scrap piece of Basic White cardstock then use Cherry Cobbler, Calypso Coral, Shaded Spruce and Daffodil Delight Stampin' Blends to color in the image. Note that I only used the light shade of the Calypso Coral on one of the flowers then used the light shade of a Cherry Cobbler Stampin' Blend to shade this one flower. The other flower sitting in the back was colored with only Cherry Cobbler Stampin' Blends. Use the coordinating die to cut out the flowers then tuck the flowers inside of the crate and adhere. Note that I did need to slightly trim one of the leaves on the flower cut out in order to tuck them completely inside of the crate. Adhere the completed crate with flowers to the card front using Stampin' Dimensionals. Position the crate towards the bottom and slightly overlapping the circles.
6. Stamp the sentiment "Season's Greetings" from the Brightest Glow Stamp Set in Cherry Cobbler ink onto the sentiment label. Use the Banners Pick A Punch to cut banner ends on each side of the label. Adhere the label to its Gold Foil mat. Adhere the sentiment label to the bottom of the card front using Stampin' Dimensionals and center.
7. On the Inside Panel, stamp the sentiment "Hoping your Christmas shines bright with the love of family & friends" from the Brightest Glow Stamp Set in Cherry Cobbler ink. Stamp the crate onto the lower left corner of the panel using Pecan Pie ink. Color in the crate using

Crumb Cake Stampin' Blends (just to fill in the white spaces). Mask off the top of the crate using a Post It Note or Post It Tape, then stamp the Poinsettias on top of the crate. Color in the flowers using Cherry Cobbler, Calypso Coral, Shaded Spruce and Daffodil Delight Stampin' Blends. Adhere the panel to the remaining Cherry Cobbler mat, then adhere this to the inside of the card.

8. Stamp the Poinsettia image onto the lower corner of the envelope front and color as you did the other stamped flowers using Stampin' Blends.
9. Adhere the coordinating piece of plaid Specialty Designer Series Paper to the envelope front and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
10. Use a Daffodil Delight Stampin' Blend to color 6 small rhinestones. Adhere the rhinestones to the flower centers on the card front - 3 on each flower.
11. Tie a small bow from Gold Trim and adhere the bow to the upper left of card front, just to the left of the circle unit, and adhere with a Mini Glue Dot.
