I was inspired by a team member to create a Double Easel Fun Fold card and I couldn't think of a better way to use all of the available space than with the **Winter Meadow 12" x 12" Designer Series Paper**! This paper is beyond beautiful and a must have for creating holiday or winter-themed cards! I cut into my favorite piece of paper from the pack for this card. I also used the **Magical Meadow Bundle** and a sentiment from the Stars at Night Stamp Set. Let's get started!

Supplies:

- Magical Meadow Bundle
- Winter Meadow 12" x 12" Designer Series Paper
- Stars at Night Stamp Set
- Stylish Shapes Dies
- Iridescent Ribbon
- Faceted Gems Trio Pack
- White Pigment Ink

2. For Card Base #2, fold the 7-3/4" score line as a mountain fold, and fold the 5-1/4" score line as a valley fold. Adhere the DSP Panel measuring 5-1/8" x 3-7/8" to Card Base #2. Adhere the DSP Panel measuring 3-3/4" x 2-1/4" to the Pretty Peacock mat measuring 3-7/8" x 2-3/8". Adhere this unit to the easel front of Card Base #2. Adhere Card Base #2 to Card Base #1. **Note: It is easiest to fold up Card Base #2 when adhering to Card Base #1. Be sure to leave an equal reveal on all sides.**
3. Using the Magical Meadow Stamp Set, stamp the sentiment "May this season of sparkle bring joy & delight" in Pretty Peacock ink onto the sentiment label. Adhere the sentiment label to its mat. The mat is shorter and wider than the sentiment label so you will have about a 1/8" reveal of the mat above and below the sentiment label. Center the mat from left to right. Adhere the sentiment label to the small easel front on Card Base #2 using Stampin' Dimensionals and position the label to the left side of the small easel front and center from top to bottom.
4. Using the Magical Meadow Dies, die cut the following then follow any additional directions.
 - Die cut 1 pine sprig with berries from Pretty Peacock cardstock. Use the dark shade of a Misty Moonlight Stampin' Blend to color in the berries. Use the pointed end of the Take Your Pick Tool and dip the point into white pigment ink then dot a highlight onto each berry. Repeat until all berries have a highlight. **Note: I dispensed a drop of white pigment ink onto a small stamping block for this process...you don't need much white ink!** **Important Note:** You will need to give the white ink time to dry!
 - Die cut 1 pine sprig without berries from Misty Moonlight cardstock.

- Die cut 1 leaf sprig with berries from Basic White Cardstock. Color all of the berries with a Moody Mauve Stampin' Blend. Color the stems using a combination of Lost Lagoon and Moody Mauve Stampin' Blends for a variegated look.
- Die cut 3 holly leaves from Lost Lagoon cardstock.

5. Using the Stylish Shapes Dies, die cut a circle from a Lost Lagoon print using the 3rd to smallest circle die. Adhere this circle to the large section of the card front in the lower right hand corner using Stampin' Dimensionals. Place Stampin' Dimensionals on the bottom, left and right of the circle, leaving room to tuck the greenery under the center of the circle.
6. Arrange the die cut sprigs and holly leaves on the large section of the card front and adhere with liquid glue. The bottoms of the stems should be tucked up under the upper left portion of the previously adhered circle. I adhered the three holly leaves last.
7. Tie a small bow using Iridescent Ribbon and adhere the bow at the upper left of the circle using Mini Glue Dots.
8. Using the Stars at Night Stamp Set, stamp the sentiment "Merry Christmas" in Pretty Peacock ink onto the Inside Panel (for Card Base #1). Stamp the pine sprig with berries

from the Magical Meadow Bundle in Pretty Peacock ink onto the lower corner of the Inside Panel. Color the berries in using the dark shade of a Misty Moonlight Stampin' Blend. Highlight the berries using white pigment ink. Allow the white ink to thoroughly dry. Adhere the Inside Panel to its Lost Lagoon mat then adhere to the inside of Card Base #1.

9. Stamp the same pine sprig onto the envelope front, color in the berries with a dark Misty Moonlight Stampin' Blend and highlight the berries with white pigment ink.
10. Adhere a coordinating piece of designer series paper to the envelope flap and trim the excess paper away from the flap using small scissors or paper snips.
11. Adhere three Faceted Gems to the card front.

This completes the card! How beautiful is this paper and the double easel shows it off perfectly! This card has some thickness to it so it will require extra postage.
