Bright Skies Dies

- Hills - Cut 2 Hills from the Shaded Spruce flower print from the Sunny Days DSP using the dies from the Bright Skies Dies
 - Sentiment Label - Scrap of Basic White cardstock measuring approximately 3-1/2" x 1-3/4"
 - Sun, Flowers and Flower Stems - Scraps of Basic White, Poppy Parade and Shaded Spruce and Pool Party for stamping and/or die cutting
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Start by adhering the DSP Panel measuring 5-3/8" x 4-1/8" to the card front.
 3. Using the Bright Skies Dies, die cut 2 hills from the Shaded Spruce flower print from the Sunny Days Designer Series Paper. I used strips of this DSP that measured 5-3/8" wide and approximately 1-1/2" tall. I cut one of the hills slightly angled and taller than the other hill. Apply liquid glue to just the bottom edge and sides of the taller hill and adhere to the bottom of the DSP panel on the card front. Then, apply liquid glue to the shorter hill on just the bottom edge and sides and adhere over top of the taller hill, making sure to line up the bottom edge with the bottom edge of the DSP Panel on the card front. **Note that applying glue to just the bottom edges and sides of the hills will allow you to tuck in the die cut flowers and flower stems later.**
 4. Stamp and/or die cut the following:
 - Using the Bright Skies Dies, die cut 2 medium-sized clouds from the Sunny Days DSP.
 - Die cut 3 flower stems from Shaded Spruce cardstock
 - Die cut 2 flower stems from Pool Party cardstock
 - Die cut 2 detailed flowers from Poppy Parade cardstock
 - Stamp 3 larger flowers onto white cardstock using Petal Pink ink, then cut out with coordinating die
 - Stamp 1 sun onto white cardstock using Crushed Curry ink, then cut out with coordinating die

5. Stamp the sentiment "You Brighten my cloudy days" in Pool Party ink onto a scrap of white cardstock. Use the Modern Oval Punch to punch out the sentiment.
6. Arrange all of the stamped and die cut pieces onto the card front then adhere. Refer to photos for reference. I determined the sentiment label placement first, then adhered the sun to the card front using liquid glue. The clouds were overlapped and adhered together with a small amount of glue, then the clouds and sentiment label were attached to the card front using Stampin' Dimensionals. The flower stems were tucked behind the "hills" and adhered using liquid glue. The flowers were adhered just above the stems using Mini Stampin' Dimensionals.
7. At the top of the Inside Panel, stamp 2 clouds in Pool Party ink, then stamp the sun in Crushed Curry ink. Stamp three flower stems in Pool Party ink, then stamp the flowers in Poppy Parade ink. Adhere the panel to the inside of the card.

8. On the envelope front, stamp two flower stems in Shaded Spruce ink, then the flowers in Poppy Parade ink. Stamp the sun above the flowers in Crushed Curry ink.
9. Adhere the coordinating piece of designer series paper to the envelope flap and trim the excess paper away from the flap using paper snips.
10. Tie a small bow from Pool Party Grosgrain Ribbon and adhere the bow at the upper right of the sentiment label using a Mini Glue Dot.

This completes the card! This is a great friendship card but change up the sentiments and it would also make a great children's card or birthday card!

Products used that are available now are included on the next page. Item numbers for products that will be available on January 4 are included in the supply list above.
