4. Build the jungle scene onto the designer series paper panel measuring 5-1/8" x 3-7/8".
 - Adhere the two vines towards the top of the panel and criss-cross. Trim any ends hanging over the panel flush with the panel.
 - Adhere the tree to the right edge of the DSP panel. Trim any excess flush with the DSP panel.
 - Adhere the two plants to the bottom edge of the panel. Apply glue only along the bottoms of these images to allow room to tuck in other components. Trim any excess flush with the DSP panel.
 - Adhere the three large leaves behind the plants.
 - Adhere a small leaf and medium leaf to each of the top and middle branches of the tree.
5. Adhere the decorated designer series paper panel to one of the Shaded Spruce mats, then adhere to the card front.
6. Using the Zany Zoo Stamp Set, stamp the sentiment "Happy Birthday to You" in Shaded Spruce ink onto a scrap of Basic White cardstock. Use the smallest circle die from the Stylish Shapes Dies to cut out the sentiment. Adhere the sentiment to the card front using Stampin' Dimensionals and position the sentiment in the upper left corner of the card front.
7. Adhere the sloth to the card front using Stampin' Dimensionals so that he is "hanging" from the middle tree branch.
8. Adhere three of the flowers towards the bottom of the card front and adhere one flower slightly behind the sentiment label.
