- Outside & Inside Panels - Cut 2 Basic White cardstock to 5" x 3-3/4"
  - Sentiment Label - Cut 1 Basic White cardstock to approximately 2" x 3/4"
  - Sentiment Label Mat #1 - Cut 1 Granny Apple Green cardstock to approximately 2-3/8" x 1"
  - Sentiment Label Mat #2 - Cut 1 Shaded Spruce cardstock to approximately 2-5/8" x 1/38"
2. Use the Fern 3D Embossing Folder to emboss one of the Basic White panels measuring 5" x 3-3/4". Use Blending Brushes to blend ink diagonally across the panel. I started at the upper left corner of the embossed panel and ink blended Crushed Curry. Then moved to ink blending Granny Apple Green, followed by Shaded Spruce then Blueberry Bushel as the last ink blended color. This gives a bit of a light to dark effect to the panel.

3. Adhere the ink blended panel to one of the Granny Apple Green mats. Use a length of white Herringbone Ribbon and wrap the ribbon around the matted and embossed panel horizontally. I have the bottom of the ribbon approximately 1-1/4" from the bottom of the mat. Secure the ribbon ends to the back of the panel using a small amount of Stampin' Seal.
4. Using the Wild Ferns Dies, die cut the following:

- From Granny Apple Green cardstock, die cut 2 curling fern fronds and one straight frond
  - From Shaded Spruce cardstock, die cut 2 curling fern fronds and one straight frond
  - From Blueberry Bushel cardstock, die cut 2 curling fern fronds and one straight frond
  - Die cut 1 small sentiment label from Basic White
  - Die cut 1 medium sized sentiment label from Granny Apple Green
  - Die cut 1 large sentiment label from Shaded Spruce
5. Stamp the "Thank You" sentiment onto the white sentiment label, then adhere this to the Granny Apple Green label/mat, then adhere this unit to the Shaded Spruce label/mat. Adhere the sentiment label unit to the embossed panel and position the label to the right of the panel. I placed Mini Stampin' Dimensionals in each of the label corners and along the very center of the label to allow for tucking in of greenery.
6. From the die cut fern pieces, adhere the Granny Apple Green ferns around the top of the sentiment label, tucking the bottoms under the label. Tuck the Shaded Spruce fern pieces around the left side of the sentiment label then tuck the Blueberry Bushel fern pieces around the bottom edge of the sentiment label.
7. Adhere the embossed and decorated panel to the card front using Stampin' Dimensionals.
8. On the inside panel, stamp the sentiment "you are greatly appreciated" in Shaded Spruce ink. In the lower corner, stamp one of the fern images in Crushed Curry ink, then stamp one of the fern images in Granny Apple Green ink, then stamp the last fern image in Shaded Spruce ink. These are stamped from lightest to darkest with the lightest image being the tallest and the darkest image being the shortest. Adhere the panel to the remaining Granny Apple Green mat, then adhere this to the inside of the card.

9. Partially stamp the same fern images onto the lower corner of the envelope front by first stamping one in Crushed Curry, then Granny Apple Green, then Shaded Spruce.
10. On the envelope flap, stamp a single fern image in Granny Apple Green ink.
11. Using Stampin' Blends markers, color 2 rhinestones in Granny Apple Green ink. Color 3 rhinestones in Shaded Spruce ink, then color 2 rhinestones in Blueberry Bushel ink. Allow the rhinestones to dry then adhere them to the card front. The placement of the rhinestones coordinates with the die cut ferns on the card front. Place the Granny Apple Green rhinestones around the Granny Apple Green ferns, place 2 of the Shaded Spruce rhinestones around the Shaded Spruce die cut ferns and place the 2 Blueberry Bushel rhinestones around the Blueberry Bushel fern die cuts. Place the remaining Shaded Spruce rhinestone onto the sentiment label.
