I used the adorable Sending Love Dies and the Bee My Valentine Stamp Set to create today's card along with the Most Adored 12" x 12" Specialty Designer Series Paper. The flag on this mailbox is moveable! How cute! You can earn the Most Adored 12" x 12" Specialty Designer Series Paper for free during Sale-A-Bration (through Feb 29, 2024) with a qualifying order!

Supplies:

- Sending Love Dies
- Bee My Valentine Stamp Set
- Most Adored 12" x 12" Specialty Designer Series Paper
- Round & Square Brads

## 1. Card Cuts:

- Card Base - Cut 1 Mossy Meadow cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- DSP Panel - Cut 1 Real Red Plaid designer series paper to 5-3/8" x 4-1/8"
- Cardstock Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"
- Scraps of Real Red, Basic Black, Basic White, Pecan Pie, Old Olive and Mossy Meadow for die cutting hearts, flag, mailbox, mailbox post, letter, bush and grass
- Inside Mat - Cut 1 Real Red cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"

2. Adhere the Real Red plaid panel to the card front.

3. On the cardstock panel measuring 5" x 3-3/4", stamp the "you're as sweet as honey" from the Bee My Valentine Stamp Set in Real Red ink across the top of the panel. Use the flower stem image and the flower image and stamp several flowers across the bottom of the panel. I stamped the flower stems in Mossy Meadow ink, and the flowers in Real Red ink.
4. Using the Sending Love Dies, die cut 1 each of the following:
  - Mailbox from Basic Black cardstock (this is the largest die from the set that requires you to fold and glue the mailbox together, not the mailbox outline die)
  - Mailbox flag from Real Red cardstock
  - Mailbox post from Pecan Pie cardstock
  - Letter from Basic White cardstock
  - Hearts from Real Red cardstock (one die cuts multiple hearts)
  - Bush from Old Olive cardstock
  - Grass from Mossy Meadow cardstock
5. Assemble the mailbox by folding on the score lines that were provided when you die cut the mailbox. Before gluing down the small tab on the back of the mailbox, insert a black brad through the Real Red die cut flag, then insert the brad through the small, provided hole on the front of the mailbox and secure the brad by opening up the prongs on the brad until they lay flat. Then, glue down the small flap on the back of the mailbox. Adhere the back edge of the mailbox to the mailbox support, then adhere the mailbox to the 5" x 3-3/4" stamped white panel.

6. Adhere the Old Olive die cut bush to the lower edge of the stamped panel so that it is covering the bottom of the mailbox post, then adhere the grass die cut along the bottom edge of the white panel.
7. Fold and glue the small die cut letter, then adhere a small die cut heart to the seal of the letter. Insert the letter partially inside of the mailbox and adhere with glue. Adhere the remaining die cut hearts around the panel.
8. Adhere the stamped and decorated white panel to the card front using Stampin' Dimensionals.
9. On the inside panel, stamp the "Happy Valentine's Day" sentiment from the Bee My Valentine Stamp Set in Real Red ink. Stamp several flower stems at the bottom of the panel in Mossy Meadow ink, then stamp the flowers on top of the stems in Real Red ink. Adhere the panel to a Real Red mat, then adhere this to the inside of the card.

10. Stamp a single flower stem and flower onto the envelope front using Mossy Meadow and Real Red inks.
11. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
