- Outside & Inside Mats - Cut 2 Basic Black cardstock to 5-1/8" x 3-7/8"
  - DSP Panel - Cut 1 Daffodil Delight plaid print to 5" x 3-3/4"
  - Die Cut Rectangles - Using the largest rectangle die from the Everyday Details Dies, and cardstock cut to approximately 4-1/4" x 2-3/4", die cut the following:
    - Die cut 1 Basic White rectangle
    - Die cut 1 rectangle from the Sweet Sorbet print from the Bee Mine Designer Series Paper
  - Inside Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"
  - Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"
2. Using the Everyday Details Dies, use the largest rectangle die to die cut a piece of Basic White cardstock. Note that this die will cut both a rectangle and a frame. We will only be using the rectangles for this project. At the top of the white rectangle, stamp the sentiment "hello there" from the Softly Sophisticated Stamp Set in Sweet Sorbet ink. Use the two-step stamps to then stamp the leaves in Lemon Lime Twist ink, then stamp the flowers in Daffodil Delight ink. Use the dark shade of a Daffodil Delight Stampin' Blend to darken the centers of the flowers.

3. Adhere the DSP Panel (Daffodil Delight plaid) to one of the Basic Black Mats. Adhere the Sweet Sorbet print die cut rectangle to the panel, positioning the rectangle onto the lower left of the panel. Leave approximately 1 1/4" of the DSP Panel showing on the left and bottom. Adhere the white stamped panel to the larger panel using Stampin' Dimensionals. Position

the white stamped panel onto the upper right of the larger panel and leave approximately a 1/4" of the Daffodil Delight DSP showing on the top and right edges. The stamped panel will overlap the Sweet Sorbet panel. Adhere the large panel unit to the card front using Stampin' Dimensionals.

4. On the inside panel, stamp the same leaf and flower image onto the upper right and lower left corners - using Lemon Lime Twist ink for the leaves and Daffodil Delight ink for the flowers. Use the dark shade of a Daffodil Delight Stampin' Blend to darken the centers of the flowers. Then, stamp the "I really appreciate you" sentiment in Sweet Sorbet ink towards the top of the panel. Adhere the panel to the remaining Basic Black mat, then adhere this to the inside of the card.

5. Stamp the same leaf and flower image onto the lower corner of the envelope front in Lemon Lime Twist and Daffodil Delight.
6. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
7. From the Ribbon Due Combo Pack, tie a bow from the Lemon Lime Twist ribbon and adhere the bow to the card front using a Mini Glue Dot. Position the bow at the base of the flower stem.
8. Adhere several Daffodil Delight hearts from the Adhesive-Backed Hearts & Flowers embellishment pack to the card front.
