I had a play with the **Delicate Forest Bundle** to create today's card. I also used some of the beautiful **Flight & Airy 12" x 12" Designer Series Paper** along with some ink blending to create a dreamy background look. Flowers from the Flight & Airy Designer Series Paper were fussy cut to top off the front of the scene! Let's get started!

Supplies:

- Delicate Forest Bundle
- Flight & Airy 12" x 12" Designer Series Paper
- Linen Thread
- Iridescent Rhinestones Basic Jewels
- Blender Brush
- Cardstock: Fresh Freesia, Soft Sea Foam, Garden Green, Basic White
- Ink: Soft Sea Foam, Fresh Freesia, Garden Green

1. Card Cuts:

- Card Base - Cut 1 Fresh Freesia cardstock to 8-1/2" x 5-1/2", score at 4-1/4"

- DSP Panel - Cut 1 bird and flower print from the Flight & Airy Designer Series Paper to 5-3/8" x 4-1/8". Cut the DSP so that a bird on a branch is sitting towards the center of the panel.
 - Cardstock Panel for Die Cutting - Cut 1 Garden Green cardstock to 5-3/8" x 4-1/8"
 - Fussy Cut Flowers - From the same designer series paper, fussy cut 3 of the pinkish flowers
 - Die Cut Leaf Sprigs - Scraps of Soft Sea Foam, Fresh Freesia and Garden Green. Cut 1 leaf sprig from the Soft Sea Foam and Fresh Freesia scraps. Cut 2 of the leaf sprigs from Garden Green
 - Sentiment Label - Cut 1 Soft Sea Foam cardstock to approximately 3-1/2" x 3/4"
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
 - Envelope Flap - Cut 1 coordinating piece of cardstock to 6" x 2-1/4"
2. From the 5-3/8" x 4-1/8" Garden Green panel, use the Delicate Forest frame die to cut out the "forest" frame for the card front. Be sure to center the die onto the panel before cutting.
 3. Use a Blending Brush and Fresh Freesia ink to blend ink around the bird. I left a circle of unblended paper around the bird to create somewhat of a halo around the bird.
 4. Adhere the die cut forest frame to the piece of ink blended designer series paper. Note that you will be tucking leaf sprigs under the frame, so leave some areas on the left of the frame unglued. Use a pair of paper snips to trim away any designer series paper that may be showing past the forest Garden Green frame. Adhere this unit to the card front using liquid glue.
 5. From the same designer series paper pattern, fussy cut three flowers and set aside.
 6. Using the Delicate Forest Dies, die cut leaf sprigs. Die cut 1 from Soft Sea Foam cardstock, 1 from Fresh Freesia cardstock, and 2 from Garden Green cardstock. Adhere these leaf sprigs under the left inside of the forest frame using liquid glue. Be sure to tuck the ends under the frame. Refer to photos for placement.

7. Using the Delicate Forest Stamp Set, stamp the sentiment onto the Soft Sea Foam cardstock using Garden Green ink. Use the slender sentiment label die from the Delicate Forest Dies set to cut out. Adhere the sentiment label to the card front using Stampin' Dimensionals. Position the label onto the lower right of the card front.
8. Tie a small bow from Linen Thread and adhere the bow to the left of the sentiment label using a Mini Glue Dot.
9. Adhere the three fussy cut flowers to the card front using Stampin' Dimensionals. I adhered two flowers over the Linen Thread bow and one flower onto the upper right corner of the forest frame.
10. Using the large greenery stamp from the Delicate Forest Stamp Set, first stamp the image onto the lower edge of the inside panel in Soft Sea Foam ink. Clean the stamp, then ink the stamp in Fresh Freesia ink, and stamp over the Soft Sea Foam image, dropping this stamped image slightly lower than the Soft Sea Foam image. Then, stamp the same image in Garden Green ink, stamping just the top of the image across the bottom of the inside panel. This provides a pretty layered look and adds lots of depth to the stamped images! Adhere the inside panel to the inside of the card base.

11. Repeat stamping of the large greenery image onto the lower left of the envelope front as you did in Step #10. First stamp in Soft Sea Foam, then Fresh Freesia, then Garden Green inks for a layered look. Remember to clean the stamp each time you change ink colors.
12. Adhere a piece of coordinating designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
13. Adhere three Iridescent Rhinestones Basic Jewels to the card front.
