I used the Softly Sophisticated Stamp Set, Softly Sophisticated 3D Embossing Folder and Inked Botanicals 6" x 6" Designer Series Paper to create today's card. Project Sheet - Feb 28 2024

- Ink: Crushed Curry, Calypso Coral, Old Olive
- Stampin' Blends: Cajun Craze

1. Card Cuts:

- Card Base - Cut 1 Crushed Curry cardstock to 11" x 4-1/4", score at 5-1/2"
- DSP Panel - Cut 1 Inked Botanicals DSP print in Calypso Coral to 5-3/8" x 4-1/8"
- Decorative Circle Medallion - Cut 1 Basic White cardstock to approximately 3-3/4" x 3-3/4"
- Sentiment Label - Cut 1 Basic White cardstock to approximately 2-1/2" x 1-1/4"
- Scraps of Crushed Curry and Old Olive for die cutting small flowers and leaves
- Inside Mat - Cut 1 Calypso Coral cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"

2. Use the Softly Sophisticated 3D Embossing Folder to emboss the designer series paper panel then adhere the panel to the card front.

3. Use the Thoughtful Expressions Dies to die cut the following:

- Use the largest decorative round die to cut out a circle from Basic White cardstock
- Use the smallest label die to cut out 1 sentiment label from Basic White cardstock
- Use the three leaf dies to cut out one of each from Old Olive cardstock
- Use the flower die to cut out three small flowers from Crushed Curry cardstock. Note that this die cuts three flowers at one time.

4. On the large decorative die cut circle, use the Softly Sophisticated Stamp Set to stamp the leaf image in Old Olive ink, then stamp the flowers in Crushed Curry ink. These stamps are two-step stamps. I find it easier to stamp the leaves first, then line up the flower image and stamp that second. Stamp the images towards the bottom of the circle. Adhere this circle to the card front using Stampin' Dimensionals and position the circle towards the upper two-thirds of the card front.
5. On the die cut sentiment label, stamp the sentiment "hello there" in Old Olive ink. Adhere the sentiment label at the base of the decorative circle using Stampin' Dimensionals so that the label is slightly overlapping the bottom of the circle. Adhere the die cut leaves under the top of the sentiment label and fan the leaves out around the stamped image. Adhere the three small Crushed Curry flowers. Adhere two flowers to the large decorative circle and the remaining flower to the upper right of the sentiment label.
6. Use Sponge Daubers to blend ink onto one of the small butterflies from the Paper Butterfly Accents pack. First blend Crushed Curry ink onto the butterfly, then blend Calypso Coral ink around the edges of the butterfly. Adhere the butterfly to the upper left of the decorative circle.

7. On the inside panel, stamp the same leaf and flower image using Old Olive and Crushed Curry inks. Adhere the panel to the Calypso Coral mat, then adhere this to the inside of the card.

8. Stamp the same leaf and flower image onto the envelope front in the lower left corner.
9. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
10. Use the dark shade of a Cajun Craze Stampin' Blend and color 5 small and medium Rhinestones. Adhere the Rhinestones to the flower centers on the card front to complete the project.
