Are you longing for the beach and warmer weather like I am? The **Beach Day Bundle** will put you in the mood! I did not use any designer series paper on this card - just paper and ink. Admittedly, I used quite a few colors...but use the beachy colors that you have on hand and get creative! Let's take a look at the card!

## Supplies:

- Beach Day Bundle
- Stylish Shapes Dies
- Pastel Adhesive-Backed Sequins
- Blending Brushes
- Cardstock: Coastal Cabana, Pool Party, Shaded Spruce, Daffodil Delight, Crumb Cake, Basic White
- Ink: Parakeet Party, Balmy Blue, Daffodil Delight, Crumb Cake, Tuxedo Black Memento Ink
- Stampin' Blends: Parakeet Party, Gray Granite, Pool Party, Blueberry Bushel

## 1. Card Cuts:

- Card Base - Cut 1 Coastal Cabana cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
  - Outside & Inside Mats - Cut 2 Pool Party cardstock to 5-3/8" x 4-1/8"
  - Outside & Inside Panels - Cut 2 Basic White cardstock to 5-1/4" x 4"
  - Sand Dune - Cut 1 Crumb Cake to 5-1/4" x 7/8"
  - Waves - Cut 1 Basic White to 5-1/4" x 5/8"
  - Strip Under Waves - Cut 1 Coastal Cabana to 5-1/4" x 3/8"
  - Scraps of Basic White, Daffodil Delight and Shaded Spruce for stamping and/or die cutting card elements.
  - Sentiment Label - Cut 1 Basic White cardstock to approximately 1-3/4" x 1-3/4"
2. On one of the white panels measuring 5-1/4" x 4", use a blending brush to blend a small circle in Daffodil Delight towards the upper left corner of the card. This is the area that the sun will get adhered to. Using a separate Blending Brush, blend Balmy Blue ink across the rest of the panel, making sure to leave a few areas of white. It is okay if some areas are blended darker than others. Use the flying seagull image and stamp one seagull towards the upper center of the ink blended panel. Color in the seagull's wings and top of head using the light shade of a Gray Granite Stampin' Blend. Set the panel aside for now.
3. Creating the Sand Dune and Waves:
- From the strip of Crumb Cake cardstock measuring 5-1/4" x 7/8", use the dune die to cut out the sand dune. The wavy portion of the die should be lined up against the top edge of this strip. Use Post It Notes or Post It Tape to hold the die in place and die cut. Use the sand and shell stamp and stamp this image across the top of the dune (the wavy portion) using Crumb Cake ink.
  - From the Strip of Basic White cardstock measuring 5-1/4" x 5/8", use the wave die to cut out the waves. The wavy portion of the die should be lined up against the top edge of this strip. Use Post It Notes or Post It Tape to hold the die in place and die cut.
  - Adhere the 5-1/4" x 3/8" strip of Coastal Cabana cardstock to the back of the waves. This strip helps fill in the "color" of the wave cutouts. Make sure that the Coastal Cabana cardstock is not showing from the front side of the waves.
  - Adhere the wave unit to the dune using liquid glue and make sure to line up the bottom edges so that they are flush with each other.
  - Adhere the dune and wave unit to the bottom of the ink blended panel from Step #2 above. The bottom edge of the dune and wave unit should line up with the bottom edge of the ink blended panel. Use liquid glue to adhere together and only apply glue to the left and right edges and the bottom edge of the dune and wave unit. This will allow you to tuck other components behind the dune.
4. On a scrap piece of Basic White cardstock, stamp the following in Tuxedo Black Memento Ink, then follow any additional instructions.
- Stamp 1 Surfboard. Color the surfboard using the dark shade of a Pool Party Stampin' Blend, then run a line of the light shade of a Blueberry Bushel Stampin' Blend down each side of the surfboard, then blend out with the Pool Party Stampin' Blend. Or, just color the surfboard one color.

- Stamp 1 Umbrella. Color the umbrella in using the light and dark shades of Parakeet Party Stampin' Blends.
  - Stamp 1 Beach Chair. Color the chair using the light and dark shades of Blueberry Bushel Stampin' Blends.
  - Use the coordinating dies to cut out the images.
5. Die cut the following from cardstock:
- Die cut 1 small circle from Daffodil Delight cardstock
  - Die cut 2 grass images from Shaded Spruce cardstock
  - Die cut 1 Palm Tree Trunk from Crumb Cake cardstock
  - Die cut the two Palm Leaves from Shaded Spruce cardstock.

6. Assemble the ink blended card front (use photos for reference):
- Adhere the small Daffodil Delight circle over the area that you blended Daffodil Delight ink.
  - Adhere the surfboard vertically to the left side of the panel. Be sure to tuck the bottom of the surfboard behind the sand dune.
  - Assemble the palm tree leaves together, then adhere to the top of the palm tree trunk.

Adhere the palm tree to the right side of the panel at an angle. Be sure to tuck the bottom of the trunk behind the sand dune. Be careful that the palm leaves will not hang behind the card base edge on the right.

- Adhere the grass units to the panel. Place one in front of the surfboard and behind the sand dune. Place the other in front of the palm tree and behind the sand dune.
- Adhere the beach umbrella to the panel using Stampin' Dimensionals (place Stampin' Dimensionals only behind the umbrella and not the pole). Position the umbrella on the left side of the card and tuck the bottom of the umbrella pole behind the sand dune. The umbrella is at an angle and slightly overlaps the surfboard.
- Adhere the chair to the panel using Stampin' Dimensionals. The chair sits on top of the sand dune.

7. Stamp the "Sending sunshine your way" in Parakeet Party ink onto a scrap piece of Basic White cardstock. Use the third from smallest circle die from the Stylish Shapes Dies to cut out the sentiment. Adhere the sentiment to the ink blended panel using Stampin' Dimensionals. Adhere the decorated panel to one of the Pool Party mats, then adhere this to the card front using Stampin' Dimensionals.
8. On the inside panel, stamp the "happy birthday" sentiment in Parakeet Party ink. Stamp the seagull image on either side of the sentiment using Tuxedo Black Memento ink. Color the seagull's wings and the tops of their heads using a light Gray Granite Stampin' Blend. Stamp the umbrella image onto the lower right corner of the panel using Tuxedo Black Memento ink. Color in the umbrella using Parakeet Party Stampin' Blends. Stamp the sand and shell image at the base of the umbrella in Crumb Cake ink. Use a Blending Brush to blend a Little Balmy Blue ink across the panel. Use a separate Blending Brush to blend Crumb Cake ink around the base of the umbrella. Adhere the panel to the remaining Pool Party mat, then adhere this to the inside of the card.

9. On the envelope front, stamp the umbrella and flying seagull images in Tuxedo Black Memento ink. Color in the umbrella using Parakeet Party Stampin' Blends. Color the seagull's wings and the top of its head using a light Gray Granite Stampin' Blend. Stamp the sand and shell image around the base of the umbrella in Crumb Cake ink. Use a Blending Brush to lightly blend Crumb Cake ink around the umbrella base. Lightly blend Balmy Blue ink just above the seagull.
10. Adhere several blue Pastel Adhesive-Backed Sequins to the card front to finish the project.

This completes the card! This card took a little extra time to create because of all of the die cutting and coloring but was well worth it! What kind of scene will you create?

Products used to create this card are included on the next page.
