This pretty spring celebration card was created using the ***Dainty Delight Stamp Set, Dainty Delight Dies, and the Layered Florals 3D Embossing Folder***. I purposely kept the colors of this card in the pastel range with the exception of the deep, rich Gorgeous Grape! The Dainty Delight stamps and dies are among my favorite sets! Let's take a look!

Supplies:

- Dainty Delight Stamp Set
- Dainty Delight Dies
- Layered Florals 3D Embossing Folder

1. Card Cuts:

- Card Base - Cut 1 Lemon Lolly cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside & Inside Mats - Cut 2 Gorgeous Grape cardstock to 5-1/4" x 4"
- Outside & Inside Panels - Cut 2 Basic White cardstock to 5-1/8" x 3-7/8"
- Squares
 - Cut 1 Gorgeous Grape cardstock to approximately 2-7/8" x 2-7/8"
 - Cut 1 Basic White cardstock to approximately 2-1/2" x 2-1/2"
- Sentiment Label - Cut 1 Basic White cardstock to 2-1/4" x 1"
- Sentiment Label Mat - Cut 1 Gorgeous Grape cardstock to 2-3/4" x 3/4"
- Scraps of Basic White, Lemon Lolly, Fresh Freesia and Gorgeous Grape cardstock for die cutting flowers, leaves and stems

2. Use the Layered Florals 3D Embossing Folder to emboss one of the 5-1/8" x 3-7/8" white panels. Use Stampin' Blends in Bubble Bath, Fresh Freesia, Soft Sea Foam and Lemon Lolly to color the embossed flowers. Note that you only want to apply color to the raised portions of the embossed panel. I colored the large and small flower centers using a Lemon Lolly Stampin' Blend. The large lotus-like flowers were colored with a Bubble Bath Stampin' Blend and all of the leaves were colored in with a Soft Sea Foam Stampin' Blend. I did use the dark shades of the Stampin' Blends to add some shadows then came back with the light shade to blend out these areas. Take your time coloring this embossed panel...the results are so worth it! Adhere the panel to one of the Gorgeous Grape mats, then adhere this to the card front using liquid glue.

3. Using the largest square die from the Stylish Shapes Dies set, cut out 1 square from Gorgeous Grape cardstock. Use the second from the largest square to cut out a white square. Adhere the white square to the Gorgeous Grape Square using liquid glue.

4. Use the Dainty Delight Dies to cut out the following flowers, stems and leaves, then follow any additional instructions.

- Die cut 4 full daisies from Lemon Lolly cardstock. This will create 2 flowers. Use a small drop of liquid glue to adhere one daisy to another and be sure to offset the petals.
- Die cut 2 half daisies. Cut 1 from Gorgeous Grape cardstock and 1 from Fresh Freesia cardstock. Adhere the Fresh Freesia daisy to the Gorgeous Grape daisy and offset the petals.
- Die cut 2 flower centers from Basic White cardstock then adhere these to the centers of the 2 Lemon Lolly Daisies.
- Die cut 1 flower center from Lemon Lolly cardstock then adhere this center to the Fresh Freesia and Gorgeous Grape half daisy.
- Die cut the two lilac flower pieces. Cut the larger lilac flower piece from Gorgeous Grape cardstock and cut the more slender lilac from Fresh Freesia cardstock. Adhere the Fresh Freesia piece to the Gorgeous Grape piece using liquid glue.
- Die cut 3 small flowers from Fresh Freesia. Note that this die cuts 4 small flowers at once, but you will only use the largest of the three flowers. Use a Blackberry Bliss

Stampin Blend to color in the flower centers and stamens.

- Die cut 3 flower stems from Basic White cardstock. Use the dark shade of a Soft Sea Foam Stampin' Blend to color the stems. I could have cut these from Soft Sea Foam cardstock but I was trying to use up white scraps! Feel free to cut these from Soft Sea Foam cardstock if you'd like.
- Die cut four leaves from white cardstock and color the leaves using a Soft Sea Foam Stampin' Blend.
- Die cut 1 Queen Anne's Lace flower from white cardstock. Color the flowers using a Lemon Lolly Stampin' Blend and color the stems using a Soft Sea Foam Stampin' Blend.

5. Turn the Gorgeous Grape and white square unit so that it is a diamond shape. Arrange all of the die cut flowers onto the diamond. Refer to photos for placement. I used liquid glue to adhere the flower stems down first, then started glue the flowers down, with the exception of one full daisy and one half daisy. These were adhered to the diamond using Stampin' Dimensionals. The leaves were adhered to the diamond last. Adhere the diamond unit to the card front using Stampin' Dimensionals. Center the diamond from left to right and leave

approximately 5/8" between the top of the card base and the top point of the diamond.

6. Use the second from smallest die from the Stylish Shapes Dies set to cut out a sentiment label from Lemon Lolly cardstock. Die cut a mat from Gorgeous Grape cardstock using the long slender die. Stamp the "Celebrate You" sentiment in Gorgeous Grape ink onto the Lemon Lolly Sentiment label. Adhere the Lemon Lolly label to the Gorgeous Grape mat then adhere this to the card front using Stampin' Dimensionals. The sentiment label will slightly overlap the bottom of the diamond.
7. On the inside panel, stamp the sentiment "The best is yet to come" in Gorgeous Grape ink. Stamp the Queen Anne's Lace image in Soft Sea Foam onto the lower left corner of the panel. Stamp the grass image at the base of the Queen Anne's Lace image in Soft Sea Foam. Color in the images using Lemon Lolly, Soft Sea Foam and Bubble Bath Stampin' Blends. Adhere the panel to the remaining Gorgeous Grape mat, then adhere this to the inside of the card.

8. Stamp the same Queen Anne's Lace and grass images onto the envelope front and color in with Stampin' Blends as you did for Step #7 above.
9. Stamp the grass image on the envelope flap and color in with Stampin' Blends.

10. Tie a double Linen Thread bow and adhere the bow towards the bottom corner of the diamond on the card front. Trim the thread ends as necessary.
11. Adhere three Bubble Bath Pastel Adhesive-Backed Sequins to the card front.

This completes the card! This card did take a bit of time to create but it is oh so worth it! Happy Spring!
