- Card Base - Cut 1 Pretty Peacock cardstock to 7-1/2" x 5-1/2". Score at 3-1/4"
 - DSP Panels
 - Cut 2 floral print to 5-3/8" x 7/8"
 - Cut 1 contrasting print to 5-3/8" x 2-1/8"
 - Sentiment Label - Cut 1 Basic White cardstock to approximately 2" x 2"
 - Scraps of Basic White and Pretty Peacock cardstock for stamping and/or die cutting flowers
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 3-1/8"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. The card front measures 5-1/2" x 3-1/4". Adhere one of the 7/8" designer series paper strips across the top of the card front along the creased edge. Make sure to leave an equal reveal around the left, top and right edges of the DSP. Then, adhere the contrasting designer series paper piece measuring 5-3/8" x 2-1/8" just below the first piece of designer series paper. Make sure to leave an equal reveal around this piece of designer series paper. Fully open the card base and adhere the second 7/8" strip of designer series paper along the bottom of the inside of the card. Be sure to leave an equal reveal around the left, bottom and right edges of the strip.
3. Stamping and Die Cutting Flowers:
- Use the Painted Lavender Stamp Set to stamp the tall multi-flower image onto white cardstock using Fresh Freesia ink. Stamp the tall-multi flower image which is narrower and stamp this image over the Fresh Freesia flowers and stamp in Orchid Oasis ink. Use the coordinating die from the Painted Lavender Dies set to cut out.
 - Cut out one long slender stem and flower image from white cardstock and use Berry Burst and Lost Lagoon Stampin' Blends to color in the image.
 - Cut out one leaf sprig from Pretty Peacock cardstock

4. Arrange the flowers from Step #3 above onto the card front and adhere with liquid glue. I have the flower stems meeting at the center bottom edge of the card front and angling up towards the left.
5. Adhere a small strip of Stampin' Seal over the flower stems and loop a length of Linen Thread on the diagonal.
6. Stamp the "Happy Mother's Day" sentiment from the Perennial Postage Stamp Set in Orchid Oasis ink. Use the largest square die from the Perennial Postage Dies to cut out the sentiment. Adhere the sentiment to the center of the card front using Stampin' Dimensionals. Note that approximately 3/8" of the bottom of the label will hang over the bottom edge of the card front.

8. Adhere three Purple Fine Shimmer Gems to the sentiment label to complete the card.

Here is a sample of the same card, but in portrait orientation. A different DSP pattern was used for the center of the card.

This completes the card! This card was easy to create and makes for a lovely Mother's Day card. The card is not extremely heavy, so it is very mailable, too!
