- Inside (Back) Panel - Cut 1 Basic White cardstock to 4" x 3-1/2"
 - Sentiment Label - Cut 1 Basic White cardstock to approximately 2-1/2" x 1-3/4"
 - Sentiment Label Mat - Cut 1 Berry Burst designer series paper print to approximately 3" x 2-1/4"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Cut and score the card base. The 2-1/4" score line is a valley fold, the 3-5/8" and 7-3/8" score lines are mountain folds and the 8-3/4" score line is a valley fold.
 3. Adhere the Center DSP Panel to one of the Daffodil Delight Center Mats and adhere to the center of the card. Adhere the Side DSP Panels to their Daffodil Delight mats, then adhere one to the far left and far right sections of the card front.
 4. Use the Perennial Postage Dies to cut out 1 rectangle from the Berry Burst designer series paper print using the 4th from the smallest rectangle die and cut out 1 Basic White rectangle using the 3rd from the smallest rectangle die.
 5. Stamp the sentiment "Thank you so much" in Old Olive ink onto the Basic White postage stamp die cut piece. Adhere the sentiment label to the larger designer series paper die cut postage stamp. Adhere the sentiment label towards the bottom of the center panel on the card front using Stampin' Dimensionals. Apply Stampin' Dimensionals only towards the center and bottom edge of the label to allow room for tucking flowers under the label. You can tuck additional Stampin' Dimensionals under the label later, if needed.
 6. On a scrap piece of Basic White cardstock, stamp the large Zinnia image three times - once in Pumpkin Pie, once in Flirty Flamingo and once in Highland Heather. Stamp the two-leaf image three times in Old Olive ink. Color in the images using the light shades of Pumpkin Pie, Flirty Flamingo and Highland Heather Stampin' Blends. Use the dark shades of these Stampin' Blends to shade behind petals. Use the dark shade of a Daffodil Delight Stampin' Blend to color in the stamens at the centers of the flowers. Use Old Olive Stampin' Blends to color in the leaves. Use the coordinating dies from the Simply Zinnias Dies set to cut out these images.

7. Die cut two each of the leaf veins from the Simply Zinnia Dies from a scrap of white cardstock. These pieces will be used as greenery, rather than veins.
8. Adhere the Flirty Flamingo and Pumpkin Pie zinnias to the center panel above the sentiment label. Apply glue only towards the bottoms of the flowers and tuck the flowers slightly under the sentiment label with one angling to the right and one angling to the left. Adhere two Stampin' Dimensionals to the center of the Highland Heather zinnia and adhere this flower between the other two flowers. The Highland Heather zinnia will overlap the top of the sentiment label. Tuck the leaves around the flowers and adhere with liquid glue. Be sure that the flowers do not extend past the top of the card base. Adhere the white leaf veins in among the flowers and leaves.
9. On the Inside Panel (back panel), stamp the large zinnia flower in Pumpkin Pie ink, then use Pumpkin Pie Stampin' Blends to color in the flower. Adhere the panel to a Daffodil Delight mat, then adhere the panel to the center back section of the card base.
