Today's card was created using the lovely **Two-Tone Flora Stamp Set and Two-Tone Flora Dies** using blending and two-step stamping. The Two-Tone Flora Stamp Set and Dies will be retiring at the end of April, 2024. The sentiment was borrowed from the **Perennial Postage Stamp Set** which is also retiring at the end of April! Let's take a look!

- Card Base - Cut 1 Soft Sea Foam cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
 - Outside & Inside Mats - Cut 2 Lost Lagoon cardstock to 5-1/8" x 3-7/8"
 - Outside & Inside Panels - Cut 2 Basic White cardstock to 5" x 3-3/4"
 - Mask Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"
 - Scored Strip - Cut 1 Basic White cardstock to 3-3/4" x 1". Score along the long side at 1/4", 3/8" and 1/2"
 - Scraps of Basic White and Pretty Peacock for stamping and die cutting flowers and leaves
2. Using the Two-Tone Flora Dies, use the large, full-panel floral die to die cut a mask from one of the 5" x 3-3/4" white panels. This die is intricate, and it is recommended that you run the panel through your Stampin' Cut & Emboss Machine at least 3 times. Remove all of the cut-out pieces using the pointy end of a Take Your Pick Tool. Temporarily adhere the die cut panel to a white panel measuring 5" x 3-3/4". I used two small pieces of Post It Tape on either side of the panels. Use a blending brush to gently blend Soft Sea Foam ink over the mask. Remove the die cut mask and save it for a future project.

3. Adhere the ink blended panel to one of the Lost Lagoon mats, then adhere this to the card front.
4. Score the 3-3/4" x 1" white cardstock strip at 1/4", 3/8" and 1/2". Adhere the scored panel to the card front so that the bottom edge of the strip is approximately 1-3/4" from the bottom edge of the card base.
5. Stamp and die cut the following:
- Use the Two-Tone Flora stamps to stamp 2 medium sized flowers in Highland Heather ink onto white cardstock. It is recommended that you stamp the outline image first,

then use the "fill" stamp and second-generation stamp to complete the flowers.

- Use the Two-Tone Flora stamps to stamp 1 large flower in Daffodil Delight ink onto white cardstock. Stamp the outline of the flower first, then stamp the "fill" using second-generation stamping.
- Stamp 1 large leaf image in Lost Lagoon ink onto white cardstock.
- Stamp 2 double leaf images in Pretty Peacock ink onto Pretty Peacock cardstock.
- Use the coordinating dies from the Two-Tone Flora Dies to cut out the images.

6. Arrange the flowers and leaves onto the card front. Use liquid glue to adhere the two Highland Heather flowers and leaves onto the card. Use Stampin' Dimensionals to adhere the Daffodil Delight flower to the card front.
7. On the inside panel, stamp the sentiment "Here for you always" in Lost Lagoon ink. Use the two-step stamps to stamp a large flower onto the lower corner using Daffodil Delight ink. Partially stamp the leaf image in Lost Lagoon ink. Adhere the panel to the remaining Lost Lagoon mat, then adhere this unit to the inside of the card.

8. Partially stamp the same large flower image onto the envelope front in Daffodil Delight ink. Partially stamp the leaf image below the flower in Lost Lagoon ink.
9. Stamp the large flower image onto the envelope flap in Daffodil Delight ink.
10. Tie a double bow from Linen Thread. Adhere the bow just below the yellow flower on the card front using a Mini Glue Dot.
11. Adhere three Iridescent Pearls to the card front to complete the project.
