Here is another sneak peek of products that are coming on May 1. I used the fun **Attention Shoppers Bundle** to create this gift card holder. I can't think of a better way to use this bundle! The measurements for the gift card holder are a CAS (Create and Share) from Demonstrator Jackie Bolhuis with klompenstampers.com. Let's take a look!

Supplies:

- Attention Shoppers Bundle (Item #163644)
- 2024-2026 In Color 6" x 6" Designer Series Paper (Item #163777)
- Petunia Pop Bordered Ribbon (Item #163785)
- 2024-2026 In Color Shimmer Gems (Item #163781)
- Cardstock: Petunia Pop (Item #163801), Basic Black, Basic White
- Ink: Tuxedo Black Memento Ink
- Stampin' Blends: Ivory, Bronze, Lemon Lolly, Pretty in Pink (Item #163824), Petunia Pop (Item #163828), Summer Splash (Item #163826), Shy Shamrock (Item #163825)

1. Card Cuts:

- Card Base - Cut 1 Petunia Pop cardstock to 11" x 4-1/4". Score on the long edge at 1-1/2" and 5-1/2".

- DSP Panels - Note that the paper is directional. Cut accordingly!
Cut 1 Petunia Pop floral print to 4" x 3-3/4"
Cut 2 Petunia Pop stripe print to 4" x 1-1/4" (the striped print is on the reverse of the floral print paper)
 - Sentiment Label - Cut 1 Basic White cardstock to 1-7/8" x 7/8"
 - Scraps of Basic White and Basic Black for stamping and/or die cutting images
 - Inside Panel - Cut 1 Basic White cardstock to 4-1/8" x 3-7/8"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Fold and burnish the scorelines on the card base using a Bone Folder. Both scorelines are mountain folds. The smaller 1-1/2" section folds to the inside of the card front to form the gift card holder. Adhere the DSP Panels to their white mats, then adhere these to the card base. The largest panel sits on the card front. One of the smaller panels sits on the inside of the card where the gift card holder will be and the other small panel sits on the inside of the card base and just to the right of the larger panel section.
 3. From a scrap piece of Basic Black cardstock, use the two dies in the Attention Shoppers Dies to cut out the shopping cart.
 4. On scraps of Basic White cardstock, stamp the gift bag two times in Tuxedo Black Memento ink. Stamp the flower image once in Tuxedo Black Memento ink. Use Stampin' Blends in Ivory, Bronze, Lemon Lolly, Pretty in Pink, Petunia Pop, Summer Splash and Shy Shamrock to color in the images. Use the coordinating dies to cut out the images.

5. Stamp the sentiment "Shopping is always a good idea" in Tuxedo Black Memento Ink onto the sentiment label. Set aside for now.
6. On the 1-1/2" section of the card base, apply Tear & Tape to the very top and bottom edges

of this section. Place a gift card just to the right of the 1-1/2" scoreline to make sure that your card will fit, then close the 1-1/2" section to form the gift card holder. Keeping the gift card in place while sealing the edges of the gift card holder will make sure that your gift card will easily slide in and out of this section easily.

7. On the inside panel, stamp the sentiment "Treat Yourself" in Tuxedo Black Memento Ink. Stamp the image of the flowers onto the lower corner of the panel and color in with Stampin' Blends. Adhere the panel to the inside of the card.

8. Adhere the base of the shopping cart to the top of the shopping cart using small drops of glue. Arrange the shopping cart, gift bags and flowers towards the top center of the card front. Once satisfied with the arrangement, carefully pick up the shopping cart and apply small drops of glue around the outside edges and the base of the cart then carefully place the cart back onto the card front and over top of the shopping bags and flowers. If you applied glue to just the outside edges of the cart you should be able to slide the shopping bags and flowers out, then apply a small amount of glue to the items then reinsert them back into the cart.
9. Adhere the sentiment label to the lower right corner of the card front using Stampin' Dimensionals.
10. Tie a small bow from Petunia Pop Bordered Ribbon and adhere the bow to the upper left corner of the sentiment label using a Mini Glue Dot. Adhere a single 2024-2026 In Color Shimmer Gem to the sentiment label.
11. On the envelope front, stamp the flower image and color in with Stampin' Dimensionals.
12. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
