- Cardstock Strip - Cut 1 Shy Shamrock cardstock to 5-1/4" x 1/8"
- Die cut Birdhouse, Flowers and Leaves - Scraps of Basic White, Misty Moonlight, Pretty In Pink, Flirty Flamingo and Shy Shamrock cardstock
- Birdhouse Opening - Cut 1 1" x 1" piece of Basic Black cardstock
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"

2. Adhere DSP Panel #2 to the bottom of DSP Panel #1 making sure that the left, bottom and right edges are flush with each other. Adhere the 1/8" Shy Shamrock cardstock strip just above DSP Panel #2. Adhere this unit to the card front using liquid glue.

3. Using the Country Birdhouse Dies, cut the following, then follow any additional directions.

- Cut 1 birdhouse from Basic White cardstock. Use the woodgrain stamp and stamp this several times vertically across the front of the birdhouse in Smoky Slate ink. Use a Sponge Dauber and Smoky Slate ink to antique the birdhouse around the edges and slightly across the face of the Birdhouse.
- Cut 1 birdhouse roof from Basic White cardstock. Adhere the roof to the top of the birdhouse using liquid glue.
- Cut 1 scalloped birdhouse top from Misty Moonlight cardstock. Adhere this directly beneath and butting up against the birdhouse roof.
- Use all of the single detailed flower dies and cut a set of flowers from Flirty Flamingo cardstock. Use the dark shade of a Flirty Flamingo Stampin' Blend to color in the flower centers.
- Use all of the single detailed flower dies and cut a set of flowers from Pretty In Pink cardstock. Use the dark shade of a Pretty in Pink Stampin' Blend to color in the flower centers.
- Die cut multiple leaves from Shy Shamrock cardstock. I cut two double-leaf images and six single leaves. Trim the stems off of three of the single leaves and adhere them behind three of the smaller die cut flowers.
- Die cut 1 small circle from Smoky Slate cardstock to serve as the perch for the birdhouse.
- Die cut 1 birdhouse base. This will serve as the sentiment label. Stamp the "happy birthday" sentiment in Misty Moonlight ink onto the base/sentiment label. Use a Sponge Dauber to antique the edges of the sentiment label using Smoky Slate ink.

4. Adhere the birdhouse to the card front using Stampin' Dimensionals so that the bottom of the birdhouse is approximately 5/8" from the bottom of the card base. Adhere the sentiment label to the base of the birdhouse using Stampin' Dimensionals.
5. Arrange the flowers and leaves across the birdhouse and card front and adhere in place. I arranged the flowers and leaves diagonally across the card front from the lower left to the upper right.
6. On the inside panel, stamp the sentiment "hoping you have the best.day.ever." in Misty Moonlight ink. Stamp the dotted image in Smoky Slate ink onto the lower left of the panel. Stamp the bird image just above the dots and use Stampin' Blends in Pretty in Pink, Flirty Flamingo, Smoky Slate and Lemon Lolly to color in the bird. Stamp several small open flowers in Pretty in Pink ink above the bird and once above the sentiment. Adhere the panel to a Shy Shamrock mat, then adhere this to the inside of the card.
