Cut 1 @ 5-3/8" x 4-1/8"

- Front Card Base - Cut 1 Pretty Peacock cardstock to 10-1/2" x 3-1/4". Score at 4-1/2" and 7-1/2"

Mats

Cut 1 @ 4-3/8" x 3-1/8"

Cut 2 @ 3-1/8" x 2-7/8"

DSP Panels (Floral print with Fresh Freesia flowers) **Important Note: This print is directional.**

Cut 1 to 4-1/4" x 3

Cut 1 to 3" x 2-3/4"

- Inside Panel - Cut 1 Basic White cardstock to 3" x 2-3/4"
 - Envelope Flap - Cut 1 coordinating designer series paper to 6" x 2-1/2"
2. Use a bone folder to burnish the score lines on the Rear Card Base. The scoreline at 2-3/4" is a mountain fold and the 5-1/2" scoreline is a valley fold. Adhere the three DSP Panels (designer series paper panels) to the Rear Card Base.
 3. Use a bone folder to burnish the score lines on the Front Card Base. The scoreline at 4-1/2" is a mountain fold and the 7-1/2" scoreline is a valley fold.
 - Adhere the DSP Panels for the Front Card Base to their Wild Wheat mats, then adhere these panels to the left and middle sections of the Front Card Base. Note that these panels are directional.
 4. On the Inside Panel, stamp the sentiment "Missing You" in Pretty Peacock ink. Use Stampin' Write markers in Fresh Freesia and Old Olive to color the thistle stamp image. **Caution: Do not use Stampin' Blends (alcohol markers) to color the stamp image...this will ruin the stamp! Only use Stampin' Write markers (water-based markers).** Use Fresh Freesia to color the flowers on the stamp and use Old Olive to color the leaves and stems. Blow warm air onto the stamp, then partially stamp the image onto the lower left corner of the inside panel. Adhere the panel to its Wild Wheat mat, then adhere this unit to the right section of the Front Card Base.
 5. Adhere the Front Card Base to the Rear Card Base (refer to photo below).
 - Slip the Front Card Base into the Rear Card Base, close the two card bases and determine placement of the Front Card Base. It should be centered onto the larger, Rear Card Base when both units are closed. Apply liquid glue to the back of the right panel on the Front Card Base and adhere to the Rear Card Base.
 - With the two card bases closed, apply glue to the back of the left panel on the Front Card Base and adhere to the left panel of the Rear Card Base.

6. Stamp the sentiment "You make life better" in VersaMark ink onto a scrap piece of Pretty Peacock cardstock. Sprinkle white embossing powder over the stamped image and use a Heat Tool to set the embossing powder. Use the 3rd from smallest circle die from the Stylish Shapes Dies to cut out the sentiment.

7. Now that the card bases are adhered together to form the Double Z Fold, decorate the front panel of the card. Die cut the following and follow any additional directions:
 - Die cut 2 of the detailed die showing flowers on stems from Basic White cardstock. Use a Fresh Freesia Stampin' Write marker to color the flowers on both die cuts and color the leaves and stems using an Old Olive Stampin' Write marker.
 - Die cut 1 detailed twig and leaf image from Wild Wheat cardstock.
 - Arrange the three die cuts onto the front panel of the Front Card Base then adhere them down using liquid glue. Refer to photos for placement. It may be necessary to trim the bottoms of the die cuts so that they will fit on the panel.
 - Use a small amount of Stampin' Seal at the base where the stems of the die cut flowers meet and attach a Linen Thread bow.
 - Adhere the sentiment label at the base of the flowers on the front panel. I used a double stack of Stampin' Dimensionals to adhere the sentiment label so that it would clear the Linen Thread bow.
8. Using the thistle stamp, color the flowers on the stamp using a Fresh Freesia Stampin' Write marker. Color the leaves and stems using an Old Olive Stampin' Write marker. Blow warm air onto the stamp, then partially stamp the image onto the lower corner of the envelope front.
