The **2024-2026 In Colors** are here! I created this pretty little 3 panel card using the new 2024-2026 In Color products in Peach Pie, including cardstock, stamp pad, designer series paper and embellishments. I used the Layers of Beauty Bundle for the sentiment, image and die cuts, but you can choose any bundle that you'd like to use. Need to make multiples of cards? Make this card in all five new In Colors!

Supplies:

- 2024-2026 In Color 6" x 6" Designer Series Paper
- Layers of Beauty Bundle
- 2024-2026 In Color Resin Dots
- Linen Thread
- Cardstock: Peach Pie, Basic White
- Ink: Peach Pie
- Stampin' Blend: Peach Pie

- Small DSP Panels - Cut 3 circle print to 1-1/2" x 3-5/8"
- Panel Mats - Cut 3 Basic White cardstock to 1-5/8" x 3-3/4"
- Sentiment Label - Cut 1 Basic White cardstock to 3-1/2" x 5/8"
- Sentiment Label Mat - Cut 1 Peach Pie cardstock to 3-5/8" x 3/4"
- Optional Inside DSP Mat - Cut 1 circle print to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"

2. Adhere the Large DSP Panel to the card front.

3. Adhere the Small DSP Panels to their Panel Mats, then adhere the panels to the card front.

Hint: It is easiest to adhere the left and right panels in place first, then adhere the center panel. There is approximately 1/4" between the panel edges for the left and right panels. There is approximately 1/16" on either side of the center panel on the left and right.

4. Using the Layers of Beauty Stamp Set, stamp the sentiment "you make my heart smile" in Peach Pie ink onto the sentiment label in Peach Pie ink. Adhere the sentiment label to its mat, then adhere the sentiment to the card front using Stampin' Dimensionals.

5. Using the Layers of Beauty Dies, die cut a small left set from Peach Pie cardstock and a leaf sprig from Basic White cardstock. Adhere the die cuts just under the left side of the sentiment label using liquid glue.
6. On the inside panel stamp the small flower and leaf image from the Layers of Beauty Stamp Set in Peach Pie ink onto the upper left and right corners of the panel. Use the light shade of a Peach Pie Stampin' Blend to color in the flower petals only. Stamp the sentiment "Grateful for you" in Peach Pie ink onto the panel. Adhere the panel to a piece of coordinating designer series paper, then adhere this to the inside of the card.

7. Repeat stamping of the small flower image onto the envelope front in Peach Pie ink then color the flower petals only using a Peach Pie Stampin' Blend.
8. Adhere a coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
9. Tie a small double bow from Linen Thread and adhere the bow to the upper left corner of the sentiment label.
10. Adhere three 2024-2026 In Color Resin Dots to the card front to finish up the project.

This completes the card. A panel card is always a great option for a card design - it is an easy card to put together and a great design when making multiples or using up designer series paper scraps! Products used to create this card are included on the next page. Happy crafting!
