The **Layers of Beauty Bundle** was used to create today's card. This bundle includes a stamp set, dies and decorative masks. The masks were used to ink blend the large center rose and its leaves only, rather than ink blending the entire large image. This process was repeated two times, and I used the coordinating die from the Layers of Beauty Dies to cut out the rose images. I also used the dies to cut out multiples of leaves. The Painted Texture 3D Embossing Folder was used to provide some background texture. Let's get started!

Supplies:

- Layers of Beauty Bundle (stamp set, dies, decorative masks)
- Painted Texture 3D Embossing Folder
- 2024-2026 In Color 6" x 6" Designer Series Paper
- Pretty in Pink Bordered Ribbon
- Rhinestone Basic Jewels
- Blending Brushes
- Cardstock: Thick Basic White, Basic White, Granny Apple Green
- Ink: Pretty in Pink, Flirty Flamingo, Granny Apple Green

- Stampin' Blends: Granny Apple Green

1. Card Cuts:

- Card Base - Cut 1 Thick Basic White cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside & Inside Panels - Cut 2 Basic White cardstock to 5-3/8" x 4-1/8"
- Sentiment Label - Cut 1 Basic White cardstock to 3-1/2" x 1/2"
- Die cut flowers & leaves - Scraps of Basic White and Granny Apple Green cardstock
- Envelope Flap - Cut 1 Pretty in Pink striped print from the 2024-2026 In Color 6" x 6" DSP to 6" x 2-1/4"

2. Use the Painted Texture 3D Embossing Folder to emboss one of the 5-3/8" x 4-1/8" Basic White panels. Wrap a length of Pretty in Pink Bordered Ribbon vertically across the left side of the panel and secure the ends of the ribbon to the back of the panel using a small amount of Stampin' Seal. Position the ribbon approximately 3/4" from the left edge of the panel.

Adhere the embossed panel to the card front using Stampin' Dimensionals.

3. From a scrap piece of Granny Apple Green cardstock, die cut multiple solid image leaves. I die cut 4 of each of the two different solid leaves. Set aside for now.

4. Ink blend just the large rose with its three leaves onto a scrap piece of Basic White cardstock. A die is included in the Layers of Beauty Dies that will cut out just this center rose with its leaves. Before ink blending you may want to hold this die up to the Decorative Mask to determine what should be ink blended. It is helpful to use grid paper or a large scrap piece of paper and mark the "V" notch from the decorative mask onto your scrap paper. This helps position the remaining masks. The rose and leaves are ink blended as follows:

- Decorative Mask #1 - Use a Blending Brush to lightly blend Pretty in Pink ink over the center rose
- Decorative Mask #2 - Use a Blending Brush to blend Pretty in Pink over the center rose. This layer of inking will be darker than the first layer.
- Decorative Mask #3 - Use a Blending Brush to blend Flirty Flamingo ink over the center rose. Make this layer of inking darker than the first two layers.
- Decorative Mask #4 - Use a Blending Brush to lightly blend Granny Apple Green ink over the leaves.
- Decorative Mask #5 - Use a Blending Brush to blend a darker layer of Granny Apple Green ink over the leaves.
- Repeat the above on a separate piece of Basic White cardstock for a total of two ink-blended roses and leaves.
- Use the coordinating die from the Layers of Beauty Dies to cut out the two rose images.

5. On the sentiment label, stamp the sentiment "you make my heart smile" in Granny Apple Green ink. Cut the right and left edges of the sentiment label at an angle using a paper trimmer or paper snips.
6. Arrange the two die cut roses over the wrapped ribbon on the card front. The roses will overlap slightly. Then arrange the die cut Granny Apple Green leaves around the roses. Once happy with placement, adhere the roses to the card front using Stampin' Dimensionals then adhere the leaves around the roses using liquid glue.
7. Adhere the sentiment label towards the bottom of the card front using Stampin' Dimensionals. Position the label toward the bottom left and slightly overlapping the rose.
8. On the inside panel, use Blending Brushes and the Decorative Masks to ink blend a partial rose and leaves onto the upper right corner of the panel. Use the same ink blending sequence as outlined in Step #4 above. Adhere the panel to the inside of the card. Repeat this ink blending process for the lower left corner of the envelope front.

9. Adhere a piece of Pretty in Pink 2024-2026 In Color 6" x 6" Designer Series Paper to the envelope flap. I used the striped print for this card. Trim the excess paper away from the flap using a pair of paper snips.
10. Using the dark shade of a Granny Apple Green Stampin' Blend, color three small Rhinestone Basic Jewels. Adhere the colored rhinestones to the card front around the roses and leaves.
