- Small Outside Mat - Cut 1 Pretty Peacock cardstock to 3-3/4" x 2-3/8"
 - DSP Panel - Cut 1 floral print from the Lily Pond Lane DSP pack to 5-1/4" x 4"
 - Small DSP Panel - Cut 1 Pretty Peacock dotted print from the Lily Pond Lane DSP pack to 3-5/8" x 2-1/4"
 - Sentiment Label - Cut 1 Pretty in Pink print from the Lily Pond Lane DSP pack to 3" x 5/8"
 - Sentiment Label Mat - Cut 1 Pretty Peacock cardstock to 3-1/8" x 3/4"
 - Die cut cattails, lily pads and flowers - Scraps of Granny Apple Green, Pretty in Pink and Peach Pie cardstock
 - Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"
2. Adhere the floral print DSP measuring 5-1/4" x 4" to one of the Pretty Peacock mats measuring 5-3/8" x 4-1/8", then adhere this to the card front using liquid glue.
 3. Adhere the Pretty Peacock dotted print DSP measuring 3-5/8" x 2-1/4" to the Pretty Peacock mat measuring 3-3/4" x 2-3/8". Adhere this unit to the card front using Stampin' Dimensionals and position the panel so that the top edge is flush with the top edge of the larger panel underneath.
 4. On the sentiment label, stamp the sentiment "you make me happy" in Pretty Peacock ink. Adhere the sentiment label to its Pretty Peacock mat, then adhere the sentiment label to the card front using a combination of Stampin' Dimensionals and liquid glue (I placed a 1/2 Stampin' Dimensional under the far left of the label). Position the label towards the left of the small panel on the card front. The left edge of the sentiment label will hang over the left edge of the small panel and there is approximately a 1/4" between the bottom edge of the label and the bottom edge of the small panel.
 5. Use the Charming Duck Pond Dies to cut the following, then follow any additional instructions:
 - Die cut the image of the 3 lily pads from Pretty Peacock cardstock
 - Die cut two lily flowers from Pretty in Pink cardstock
 - Die cut two flower centers from Peach Pie cardstock
 - Adhere a flower center to each of the two lily flowers. On the double lily pad (connected), adhere a lily flower to each of these two lily pads.
 - Die cut a cattail from Granny Apple Green cardstock. Note that this die cuts two at a time...just set aside the extra cattail for future use. Use the dark shade of a Pebbled Path Stampin' Blend to color in the two cattail "heads".

6. Adhere the cattail to the right of the sentiment label at an angle using liquid glue at the base of the cattail. Tuck the bottom of the cattail slightly under the right side of the sentiment label. Then adhere the single lily pad just to the right of the base of the cattail. Adhere the two lily pads with flowers just below and to the right of the sentiment label using Stampin' Dimensionals.
7. On the inside panel, stamp the image of the cattail grass in Granny Apple Green ink on the lower left and right corners, then stamp the cattail heads in Pebbled Path ink. Stamp the image of the lily pad around the base of the cattails three times each. Adhere the panel to the remaining Pretty Peacock mat, then adhere this to the inside of the card.

8. On the envelope front, stamp the image of the cattail grass in Granny Apple Green ink, then stamp the cattail heads in Pebbled Path ink. Stamp two lily pads at the base of the cattails.
9. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
10. Tie a small bow from Flirty Flamingo Baker's Twine and adhere the bow towards the bottom right of the sentiment label at an angle using a Mini Glue Dot.
11. Adhere several Pretty in Pink Dappled Dots around the cattails on the card front to complete the project.
