- Sentiment Label - Cut 1 Basic White cardstock to approximately 2-1/4" x 2-1/4"
  - Pleated Pin Wheel - Three (3) - 5-1/2" x 1-3/4" pieces of designer series paper to assemble one large pin wheel.
  - Small Die Cut Flower - Scrap of coordinating DSP
  - Small Die Cut Circles - Scraps of Pumpkin Pie and Granny Apple Green cardstock
  - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
  - Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"
2. Use the small flower-type image from the Round We Go Stamp Set to randomly stamp flowers across the front of the card front in Pumpkin Pie ink.
  3. Adhere the DSP Strip measuring 5-1/2" x 1-1/2" to the white Cardstock Strip measuring 5-1/2" x 1-3/4". Leave an equal reveal on the left and right sides of the DSP Strip. Adhere the strip to the center of the card front and center from left to right.
  4. Assemble the Pleated Pin Wheel flower:
    - Use the large rectangular die from the Round We Go Dies and cut three pieces of designer series paper using this die.
    - Fold the paper along the embossed lines provided by the die with each fold going in the opposite direction of the previous fold.
    - Glue the first die cut section to the second die cut section, then glue the third die cut section to the larger assembled unit. This leaves you with a long, pleated strip. Glue one end of the strip to the other end to form a circle shape.
    - Carefully turn this joined unit to lay flat. You may want to weight the Pin Wheel down with a stamping block temporarily.
    - Die cut one circle (7/8") from Pumpkin Pie cardstock and one circle (5/8") from Granny Apple Green cardstock.
    - Adhere the Granny Apple Green Circle to the Pumpkin Pie Circle.
    - Draw the sides of the Pin Wheel flower together and carefully glue the circle unit to the center of the Pin Wheel. The circles will hold the Pin Wheel together.
    - Adhere the Pin Wheel to the upper left corner of the card front using liquid glue.

5. Die cut 1 small flower shape from a coordinating piece of designer series paper and adhere the flower to the card front towards the bottom center.
6. Die cut the sentiment label from the smaller, round dies. Stamp the sentiment "Time to Celebrate" in Granny Apple Green ink onto the sentiment label. Adhere the sentiment label to the card front using Stampin' Dimensionals and position the label towards the lower right.
7. On the inside panel, stamp the sentiment "Hip Hip Hooray!" in Granny Apple Green ink. Stamp the small flower image onto the upper right and lower left corners of the panel in Pumpkin Pie ink. Stamp the centers of the flowers in Granny Apple Green ink. Adhere the panel to the inside of the card.

10. Adhere several green Shiny Sequins to the card front to complete the project.

This was a fun Bundle to play with...especially when creating the pleated pin wheel! These pin wheels would make fantastic Christmas ornaments so I'm looking forward to playing some more with this set!

Products used to create this card are included on the next page.
