- Card Base - Cut 1 Peach Pie cardstock to 11" x 4-1/4", score at 5-1/2"
 - Outside Mat - Cut 1 Melon Mambo cardstock to 5" x 3-3/4"
 - Stamped Rectangle - Cut 1 Basic White cardstock to approximately 5" x 3-3/4"
 - Sentiment Label - Cut 1 Basic White cardstock to approximately 2-1/8" x 1/2"
 - Inside Mat - Cut 1 Melon Mambo cardstock to 5-1/8" x 3-7/8"
 - Inside Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"
2. Start by stamping one of the flower images in Peach Pie ink around the perimeter front of the Peach Pie card base. Then use the larger leaf image to stamp leaves in between the stamped flowers in Peach Pie ink. This provides a tone on tone look and provides some interest to the portion of the card base that will show. Be sure to stamp partial images and full images as you work your way around the edges of the card front.
3. From a panel of Basic White cardstock measuring approximately 5" x 3-3/4", stamp the following images then follow any additional instructions. **Helpful Hint: The stamps in the Cake Fancy Stamp Set are Distinctive Stamps so be sure to test stamp all images onto a scrap of paper before stamping on your cardstock. If you are not getting a good image, use a Sponge Dauber to blot ink onto the stamp to ensure good coverage before stamping.**
- Stamp the cake stand image onto the panel in Pecan Pie ink.
 - Stamp three cake layers in Lemon Lolly ink. Leave a bit of space between the three layers.
 - Stamp four flowers on top of the cake using Peach Pie and Melon Mambo inks. I alternated the flowers and colors. Stamp the flower centers using Pecan Pie ink.
 - Stamp three different leaf images around the flowers on top of the cake in Shy Shamrock.
 - Using the Deckled Rectangles Dies, die cut the stamped image with the second from largest rectangle.
 - Adhere the die cut rectangle to the Melon Mambo mat measuring 5" x 3-3/4"
 - Use a Blender Pen and color in around the bottom of the cake stand using Basic Beige ink. This helps ground the cake stand.
 - Clean the tip of the Blender Pen then use Shy Shamrock ink to dot confetti (little dots) around the flowers and leaves and just under the cake stand. This gives the card a festive look!
 - Dab a small amount of Lemon Lolly ink from your stamp pad onto a clean stamping block. Dip a Wink of Stella pen into a bit of the Lemon Lolly ink then brush over the cake layers only. Repeat until all of the cake layers have been painted. Before putting your Wink of Stella brush away, be sure to clean the brush from any remaining ink by brushing it onto a scrap piece of paper until ink is no longer visible.

4. Adhere the finished panel unit to the card front using Stampin' Dimensionals.
5. Stamp the "time for Cake" sentiment onto the sentiment label in Shy Shamrock ink. Note that this sentiment requires two different stamps to complete the full sentiment. When stamping, stamp the sentiment towards the left, then cut a banner end on the right-hand side. Adhere the sentiment to the card front using Stampin' Dimensionals and position the label towards the lower left of the card. the sentiment label will slightly overhang the right edge of the Melon Mambo mat.
6. On the inside panel, stamp the "Enjoy" sentiment, then stamp the "your special day" underneath the first sentiment in Shy Shamrock ink. Stamp several flowers onto the lower corner of the panel in Peach Pie and Melon Mambo inks, then stamp leaves around the flowers in Shy Shamrock ink. Adhere the panel to its Melon Mambo mat, then adhere this to the inside of the card.

7. Repeat stamping of the flowers and leaves onto the envelope front using Peach Pie, Melon Mambo, Pecan Pie and Shy Shamrock inks.
8. Stamp a single flower on the envelope flap. I stamped the "half" flower in Melon Mambo. Then stamp leaves on either side of the flower.
9. Tie a small bow from Silver & White Sheer Ribbon and adhere the bow to the upper left-hand corner of the panel on the card front using a Mini Glue Dot.
10. Adhere three Melon Mambo Glossy Dots to the card front to finish up the card.
