1. Card Cuts:

- Card Base - Cut 1 Shaded Spruce cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Embossed Panel - Cut 1 Poppy Parade cardstock to 5-1/2" x 4"
- Vellum Panel - Cut 1 white patterned vellum from the Graceful Greenery Vellum 12" x 12" Specialty DSP to 5-1/2" x 3"
- Cardstock Strips - Cut 2 Shaded Spruce cardstock strips to 5-1/2" x 1/4"
- Sentiment Label - Cut 1 Basic White cardstock to approximately 1-3/4" x 1-1/2"
- Wagon, Gifts, Wagon Wheels - Scraps of Basic White cardstock
- Wagon Hangle - Scrap of Crumb Cake cardstock
- Inside Mat - Cut 1 Poppy Parade cardstock to 5-1/2" x 3-7/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/2" x 3-3/4"

2. Start by using the Exposed Brick 3D Embossing Folder to emboss the Poppy parade panel measuring 5-1/2" x 4". Adhere the embossed panel to the card front making sure to leave an equal reveal of the card base above and below the embossed panel.
3. Adhere the Vellum Panel to the front of the card base by applying a thin line of liquid glue across the very top and bottom of the panel. Leave an equal distance between the top and bottom edges of the vellum and the embossed Poppy Parade panel.
4. Adhere a Shaded Spruce strip to the card front across the top and bottom edges of the vellum panel. These strips will hide the line of adhesive under the vellum panel.
5. Use Tuxedo Black Memento ink to stamp the wagon, two wheels and the image of the gifts and poinsettias on a scrap piece of white cardstock. Use Stampin' Blends to color in the images.
 - Color the wagon using Crumb Cake and Pecan Pie Stampin' Blends.
 - Color the poinsettia flowers using Poppy Parade and color the leaves using Poppy Parade. Color the bow on the pot using Poppy Parade. Color one pot using an Ivory Stampin' Blend and color the other pot using the Bronze Stampin' Blend.
 - Color two of the gifts using a Shaded Spruce Stampin' Blend and color the other gift in Poppy Parade. Color the two bows on the Shaded Spruce gifts using Poppy Parade and color the other bow using the Ivory and Bronze Stampin' Blends.

6. Use the Filled with Fun Dies to cut out the wagon and the wagon wheels. Also die cut 1 wagon handle from Crumb Cake cardstock. Use the dark shade of a Crumb Cake Stampin' Blend to darken the edges of the handle. Adhere the tops of the wagon wheels behind the wagon using liquid glue. Adhere the wagon handle to the wagon. Fussy cut the image of the gifts and flowers and adhere the bottom edge of this image behind the top of the wagon. Use Stampin' Dimensionals to adhere the wagon to the center left of the card front.
7. Stamp the "a warm Hello" sentiment from the Filled with Cheer Stamp Set in Poppy Parade ink onto a scrap piece of white cardstock. Use the smallest rectangle sentiment label die from the Unbounded Love Dies to cut out the sentiment. Note that this label die cuts an inside label and a frame. I used Stampin' Dimensionals on the back of the two pieces to hold them together. Adhere the sentiment to the top right of the card front using Stampin' Dimensionals.
8. On the Inside Panel, stamp the "to you and yours" in Poppy Parade ink. Partially stamp the image of the Christmas tree and snowman in Tuxedo Black Memento ink onto the lower left corner of the panel. Use Stampin' Blends in Shaded Spruce, Daffodil Delight, Smoky Slate, Poppy Parade, Pumpkin Pie and Balmy Blue to color in the image of the tree and snowman. Adhere the panel to the Poppy Parade mat, then adhere the panel to the inside of the card.

Be sure to leave an equal distance between the matted inside panel and the card base on the top and bottom.

9. Using Tuxedo Black Memento ink, stamp just the image of the Snowman onto the lower corner of the envelope front. Use Stampin' Blends to color in the image. **Caution: Place a scrap piece of paper or cardstock inside of the envelope before coloring to prevent bleed through of the markers.**
10. Stamp the image of the string of lights onto the envelope flap in Tuxedo Black Memento ink. Use Daffodil Delight, Poppy Parade and Shaded Spruce Stampin' Blends to color in the lights.
11. Tie a small bow from Silver & White Sheer Ribbon and adhere the bow at the base of the wagon handle using a Mini Glue Dot.
12. Adhere three Iridescent Faceted Gems to the card front to complete the project.
